

# ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Remington 700 - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Remington 700 - SA - RH - BLK](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015477

# Consumer Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Product Safety:** The ACC Premier Gen 2 Chassis is designed to ensure safe use. Always adhere to the safety instructions provided in this guide.
- Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Please follow any instructions provided for returning or remedying the product.
- Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- Special Consumer Focus:** This product is not intended for use by children. Ensure it is kept out of reach from minors.
- EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid Improper Use:** Do not use the chassis in any manner not specified in this guide.
- Check Compatibility:** Ensure that the chassis is compatible with your Remington 700 firearm before installation.
- Inspect Before Use:** Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- Secure Installation:** Ensure that the action is securely fastened to the chassis using the provided screws to prevent movement during use.
- Use Personal Protective Equipment (PPE):** Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Follow Local Laws:** Adhere to all local laws and regulations regarding firearm use and storage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700.
- Place the action of the firearm into the ACC Premier Gen 2 Chassis.
- Secure the action using the two screws provided, ensuring a tight fit without overtightening.
- Verify that the chassis is properly aligned and stable before proceeding.

### 2. Usage:

- Adjust the cheek weld, hand position, and length of pull to achieve a comfortable and stable shooting position.
- Utilize the integrated barricade stop for enhanced stability during shooting.
- When using bipods or tripods, ensure they are securely mounted to the ARCA rail for optimal balance.

- Regularly check the chassis for any loose screws or components before use.

### 3. Maintenance:

- Clean the chassis regularly to prevent the buildup of dirt and debris.
- Inspect the VBlock bedding system for wear and ensure consistent contact with the action.
- Store the chassis in a dry, cool place when not in use to prevent corrosion.

## Disposal Instructions

- **Dispose Responsibly:** At the end of the product's life, dispose of it in accordance with local regulations.
- **Recycling:** Where possible, recycle components such as aluminum to minimize environmental impact.
- **Hazardous Materials:** Ensure that any hazardous materials are disposed of following local laws and regulations.

## Contact Information for Further Support

For additional questions or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the contact information provided by your retailer or manufacturer.

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. Your safety and satisfaction are our top priorities.
