

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Remington 700 - SA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This product is designed for competitive shooting and offers advanced features for improved stability and performance. To ensure your safety and the optimal use of this product, please carefully read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- Always handle firearms and related equipment with care.
- Ensure the product is used only for its intended purpose.
- Keep the chassis and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- If you notice any defects or irregularities, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- **Risk of Injury:** Always ensure that the rifle is unloaded before attaching or detaching the chassis.
- **Proper Fit:** Verify that the action fits securely within the chassis. A loose fit can lead to instability and may cause accidents.
- **Weight Management:** When using MDT's weight system, ensure that weights are securely attached to prevent them from falling off during use.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including eye protection, when using firearms.
- **Environmental Awareness:** Be aware of your surroundings and ensure a safe shooting environment. Identify and avoid any potential hazards in the area.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Ensure you have all necessary tools, including two screws for securing the action.
2. **Drop Action:** Carefully place the rifle action into the chassis, ensuring it is positioned correctly.
3. **Secure Action:** Use the two screws to secure the action in place. Tighten them adequately, but do not overtighten to avoid damaging the chassis.
4. **Check Compatibility:** Ensure all components, including the NV and Control Bridge, are compatible and properly installed.
5. **Weight Adjustment:** If using weights, adjust them according to your preference for balance and stability.

Usage Guidelines

- Before each use, check that all components are securely fastened and in good condition.
- Practice proper shooting techniques to maintain control and accuracy.
- Regularly clean and maintain the chassis to ensure optimal performance and longevity.

Disposal Instructions

When disposing of the ACC Premier Gen 2 Folding System MDT Chassis, please follow local regulations for the disposal of aluminum and other materials.

- **Recycling:** The chassis is made of 6061 aluminum, which is recyclable. Ensure it is disposed of at a recycling facility that accepts aluminum products.
- **Nonrecyclable Components:** Any nonrecyclable components should be disposed of in accordance with local waste management regulations.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to your local distributor or authorized dealer for assistance.

By adhering to these safety guidelines, you can ensure a safer and more enjoyable experience with the ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your commitment to safety and responsible usage.
