

# ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Ruger American - SA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Ruger American - SA - RH - CCG](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015485
- Mfr. No.: 116072-CCG
- Colour: Charcoal/Green
- Material: 6061 Aluminum
- Model: American
- Style: Chassis
- Weapon type: Ruger
- Delivery weight: 3.71kg
- Shipping height: 156mm
- Shipping width: 187mm
- Shipping length: 791mm
- UPC: 990482727987

# Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions to ensure safe usage and optimal performance of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the chassis for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents immediately to the relevant authorities.
- Stay updated on safety recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always handle the chassis with care to prevent injury. Use protective gloves if necessary.
- **Installation:** Ensure that the installation area is clear of any obstacles. Avoid installing in wet or unstable conditions.
- **Compatibility:** Verify that the chassis is compatible with your firearm model before installation.
- **Weight Management:** Be cautious when adding or adjusting weights to the chassis. Ensure that the rifle remains balanced for safe handling.
- **Shooting Safety:** Always follow firearm safety protocols when using the chassis in shooting activities. This includes wearing appropriate eye and ear protection.
- **Maintenance:** Regularly clean and maintain the chassis to ensure optimal function and safety.

## Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and components before beginning the installation process.
2. **Installation Steps:**
  - Remove the action from your rifle according to the manufacturer's instructions.
  - Place the action into the chassis, ensuring it is seated properly.
  - Secure the action using the provided screws. Tighten them firmly but do not overtorque.
  - Attach any additional components, such as the forend or accessories, as needed.
3. **Weight Adjustment:**
  - Add weights as desired to achieve the preferred balance for your setup.
  - Ensure that all weights are securely fastened.
4. **Final Checks:**
  - Inspect the installation for any loose parts or misalignments.
  - Test the stability and functionality of the chassis before use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis in household waste. Instead, take it to a designated recycling facility if available.
- Remove any nonmetal components before recycling.

## **Contact Information for Further Support**

For any inquiries or additional support related to safety or product functionality, please consult the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. We wish you safe and enjoyable experiences with your ACC Premier Gen 2 Folding System MDT Chassis.
