

# ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Savage - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Savage - SA - RH - BLK](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015486
- Mfr. No.: 116073-BLK
- Colour: Black
- Material: 6061 Aluminum
- Model: 10
- Style: Chassis
- Weapon type: Savage
- Delivery weight: 3.71kg
- Shipping height: 156mm
- Shipping width: 187mm
- Shipping length: 791mm

# ACC Premier Gen 2 Folding System MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the chassis to understand potential hazards and how to avoid them.

## General Safety Guidelines

- Ensure that the chassis is used only for its intended purpose as a rifle stock.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the chassis and all related components out of reach of children and unauthorized users.
- Regularly inspect your chassis for any signs of wear or damage before use.
- Be aware of your surroundings when using your rifle to avoid accidents or injuries.
- In case of any malfunction or unsafe condition, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the action is securely fastened to the chassis using the provided screws. Loose components can lead to malfunctions.
- **Weight System:** When adjusting weights, ensure that all added accessories are securely attached to prevent them from falling off during use.
- **Bipod and Tripod Mounting:** When mounting bipods or tripods, verify that they are properly secured to maintain balance and stability.
- **Recoil Management:** Be mindful of the chassis's bedding system, which minimizes movement under recoil. Ensure it is properly installed to maintain accuracy.
- **Environmental Conditions:** Avoid using the chassis in extreme weather conditions that may affect its performance or integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing stock from your rifle.
- Place the action of your rifle into the ACC Premier Gen 2 chassis.
- Secure the action using the two screws provided, ensuring a tight fit without overtightening.
- Adjust the length of pull and cheek weld to your preferred settings for comfort and accuracy.

### 2. Usage:

- Before firing, ensure that the rifle is pointed in a safe direction.
- Check that the safety mechanism is engaged until you are ready to fire.
- Maintain a stable shooting position using the chassis's wide profile for balance.
- After use, clean the chassis and check for any signs of wear or damage.

## Disposal Instructions

- Dispose of the chassis in accordance with local waste disposal regulations.
- If the chassis is damaged beyond repair, contact your local recycling center to ensure environmentally friendly disposal.

- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your ACC Premier Gen 2 Folding System MDT Chassis, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your attention to safety.
