

# ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T1X - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T1X - RH - BLK](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015489

# Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This product is designed for competitive shooting and offers advanced features to enhance your shooting experience. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Product Safety:
  - Ensure safe use of the chassis during shooting activities.
  - Be aware of risks associated with improper use or handling.
- Enhanced Recalls:
  - Stay informed about any recalls related to this product.
  - Follow any instructions provided in case of a recall.
- Online Shopping:
  - If purchased online, ensure the seller complies with safety regulations.
- Special Consumer Focus:
  - This product is not intended for use by children. Keep out of reach of minors.
- EU Contact Point:
  - For safety inquiries, refer to the provided contact information in the product packaging.
- Rapid Alerts:
  - Monitor the EU Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- Always handle the chassis with care to prevent injury.
- Ensure that all components are securely attached before use.
- Use the chassis only with compatible firearms to avoid accidents.
- Do not exceed the weight limit specified for the chassis.
- Regularly inspect the chassis for signs of wear or damage before use.
- Avoid using the chassis in extreme weather conditions that may affect its performance.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear shooting area.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the necessary tools: a screwdriver and the screws provided.
- Place the chassis on a stable surface.
- Carefully drop your action into the chassis.
- Secure the action by tightening the two screws provided.
- Ensure that the action is firmly in place with no movement.

### 2. Usage:

- Adjust the ergonomics of the chassis to fit your preferences:
  - Cheek weld
  - Hand position
  - Length of pull

- Ensure the rifle is balanced before shooting for optimal control.
- Use the integrated ARCA rail for mounting bipods or tripods as needed.
- Practice safe shooting techniques and follow all local laws and regulations.

## **Disposal Instructions**

- When disposing of the chassis, follow local regulations regarding the disposal of aluminum and other materials.
- Consider recycling the chassis if it is no longer in use, ensuring that all components are properly sorted.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding the use, safety, or maintenance of your ACC Premier Gen 2 Folding System MDT Chassis, please refer to the contact information provided in the product packaging.

By following these guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your attention to safety!
