

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T1X - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your Tikka T1X rifle. This guide provides important safety information, installation instructions, and usage guidelines to ensure your experience is both safe and enjoyable. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the chassis is compatible with your specific firearm model before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Inspect the chassis regularly for any signs of wear or damage.
- Use only recommended accessories to avoid compromising safety and performance.
- Be aware of your surroundings when handling firearms to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

• Installation Safety:

- Ensure that the firearm is unloaded before installing the chassis.
- Use appropriate tools as specified in the installation instructions.
- Avoid applying excessive force during installation to prevent damage.

• Handling Safety:

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the muzzle is pointed in a safe direction at all times.

• Shooting Safety:

- Wear appropriate eye and ear protection when shooting.
- Be aware of your target and what is beyond it.
- Do not shoot in conditions that could compromise safety, such as high winds or poor visibility.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workspace is clean and free from distractions.
- Unload your Tikka T1X rifle completely.
- Place the rifle on a stable surface.
- Align the chassis with the action of the rifle.
- Secure the chassis using the provided screws. Tighten them evenly to avoid misalignment.
- Check that the chassis is firmly attached and does not move.

2. Usage:

- Adjust the cheek weld, hand position, and length of pull to fit your body.

- Ensure that the forend is free from obstructions before shooting.
- Regularly check the stability of the chassis during use to ensure it remains secure.
- Utilize the ARCA rail for mounting bipods and tripods for optimal balance.

Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the manufacturer's official website or customer support channels.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the ACC Premier Gen 2 Folding System MDT Chassis!
