

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T1X - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

ACC Premier Gen 2 Folding System MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your Tikka T1X rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. By following these guidelines, you will enhance your shooting experience while ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ACC Premier Gen 2 Chassis by following all instructions provided in this guide. This product is designed for competitive shooting and should be used accordingly.
- **Enhanced Recalls:** In the event of any safety issues, be aware that standardized recall notices will be issued. Always check for updates regarding recalls.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as outlined under EU regulations.
- **Special Consumer Focus:** Extra care should be taken when using this product around children or vulnerable individuals. Always supervise usage.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact point for support.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Inspection:** Before each use, inspect the chassis for any signs of wear, damage, or loose components. Do not use if any issues are found.
- **Compatibility:** Ensure that the chassis is compatible with your Tikka T1X rifle. Using incompatible components can lead to malfunction or injury.
- **Weight System:** When using MDT's weight system, ensure weights are securely attached to prevent them from dislodging during use.
- **Stability:** Always ensure that the chassis is stable when mounted on barricades or PRS props to prevent accidents.
- **Proper Handling:** Always handle the chassis and rifle with care. Treat every firearm as if it is loaded.
- **Child Safety:** Keep the chassis and any associated accessories out of reach of children. Do not allow children to handle the chassis without supervision.

Instructions for Installation and Usage

Installation

1. **Preparation:** Gather all necessary tools, including a screwdriver for securing the action.
2. **Drop Action:** Carefully drop your Tikka T1X action into the chassis.
3. **Secure:** Use the provided screws to secure the action in place. Ensure they are tightened properly to prevent movement.
4. **Check Fit:** After installation, check that the action fits snugly within the chassis without any gaps.

Usage

1. **Positioning:** When using the chassis, ensure it is positioned on a stable surface or barricade.
2. **Mounting Accessories:** Utilize the full-length ARCA rail for mounting bipods or tripods. Ensure all accessories are securely fastened before use.
3. **Balancing:** Adjust the weight system and ergonomics (cheek weld, hand position, length of pull) to

achieve optimal balance and comfort.

4. **Shooting:** Always maintain a proper shooting stance and grip when using the rifle mounted on the chassis. This will enhance stability and accuracy.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the chassis and any components in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** Where possible, recycle aluminum and other materials. Check with local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product packaging or on the manufacturer's website.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Always prioritize safety and responsibility when handling firearms and related equipment.
