

# ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T3X - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T3X - SA - RH - BLK](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015492

# Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your Tikka T3X rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Product Safety:** This chassis is designed to ensure safe use and meets all relevant safety standards. Always follow the guidelines provided in this manual.
- Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Please ensure you register your product for updates.
- Online Shopping:** If purchased online, you have the same safety protections as if purchased in a physical store. Ensure that the online platform complies with safety requirements.
- Special Consumer Focus:** This product is not intended for use by children. Always supervise usage to prevent accidents.
- EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when handling or installing the chassis.
- Firearm Safety:** Ensure the firearm is unloaded before installation or maintenance. Follow all firearm safety protocols.
- Check Compatibility:** Confirm that the chassis is compatible with your specific model (Tikka T3X) before installation.
- Inspect for Damage:** Before use, inspect the chassis for any signs of damage or wear. Do not use if damaged.
- Avoid Excessive Force:** When securing the action with screws, apply only the necessary force to avoid stripping threads or damaging components.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools: screwdriver, torque wrench (if applicable).
- Work in a clean, dry area to avoid contamination of parts.

### 2. Installation:

- Step 1:** Carefully remove the action from your Tikka T3X rifle.
- Step 2:** Align the action with the chassis and gently drop it into place.
- Step 3:** Secure the action using the provided screws. Tighten them to the manufacturer's recommended torque specifications.
- Step 4:** Attach any additional components, such as the forend or buttstock, as per the manufacturer's instructions.

### 3. Usage:

- Once installed, familiarize yourself with the chassis features, including the adjustable ergonomics for cheek weld, hand position, and length of pull.
- Regularly check the screws and connections for tightness before use.
- When using the chassis in competitive shooting or on barricades, ensure that all accessories are securely mounted.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the chassis and any components in accordance with local regulations regarding electronic waste and materials.
- **Recycling:** If applicable, recycle aluminum components where facilities exist.
- **Hazardous Materials:** Do not dispose of the chassis in regular household waste if it contains hazardous materials. Consult local disposal guidelines.

## Contact Information for Further Support

For additional support or inquiries regarding the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the contact information provided by your retailer or the manufacturer. Ensure you have your product details and purchase information available for quicker assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your attention to safety.
