

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T3X - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your Tikka T3X rifle. This guide provides essential safety instructions and information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the chassis.

General Safety Guidelines

- Always handle firearms and related accessories with care and in accordance with local laws and regulations.
- Ensure that the chassis is compatible with your specific rifle model before installation.
- Regularly inspect the chassis for signs of wear or damage. Do not use if any components are compromised.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installation or adjustment of the chassis.
- Use the chassis only for its intended purpose and as described in this guide.
- Avoid placing excessive weight or pressure on the chassis that may exceed its designed limits.
- Do not modify the chassis in any way that could compromise its structural integrity or safety.
- Always use the chassis in a safe environment, free from hazards that could lead to accidents.
- Be aware of your surroundings when using the rifle equipped with the chassis, especially in crowded or populated areas.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your workspace is clean and free from distractions. Gather all necessary tools for installation.
2. **Unload the Rifle:** Confirm that your Tikka T3X rifle is completely unloaded before proceeding.
3. **Positioning:** Place the chassis on a stable surface. Align the action of the rifle with the chassis.
4. **Securing the Action:**
 - Carefully drop the rifle action into the chassis.
 - Secure the action using the provided screws. Tighten them firmly but do not overtighten to avoid damaging the chassis.
5. **Final Check:** Ensure that the rifle is securely attached to the chassis and that all components are functioning correctly.

Usage

- Adjust the ergonomics of the chassis to fit your preferences for cheek weld, hand position, and length of pull.
- Utilize the integrated barricade stop and ARCA rail for optimal shooting stability and accessory mounting.
- Regularly check the tightness of screws and fittings during use, especially after transportation or heavy use.
- Maintain proper care and cleaning of the chassis to ensure longevity and performance.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding electronic waste and aluminum recycling.
- Do not dispose of the chassis in regular household waste.
- Consider returning the chassis to the manufacturer or a designated recycling facility for proper disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please reach out to your local dealer or the manufacturer directly. Ensure to have your product details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for prioritizing safety!
