

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T3X - SA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T3X - SA - RH - CCG](#)

ACC Premier Gen 2 Folding System MDT Chassis Safety Instructions

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions, installation guidelines, and usage recommendations to ensure safe operation and optimal performance of your chassis. Please read this document carefully before use.

General Safety Guidelines

- Always ensure that the rifle is unloaded before handling or installing the chassis.
- Inspect the chassis for any visible damage or defects before use.
- Ensure that all components are securely fastened and properly installed to prevent accidental detachment during use.
- Follow all local laws and regulations regarding firearm use and modifications.
- Keep the chassis and its components out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when operating your rifle.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to firearm malfunction.
 - Failure to secure the chassis may result in loss of control during firing.
- **Avoiding Hazards:**
 - Always doublecheck that the action is properly seated in the chassis.
 - Use the provided screws to secure the action firmly; do not overtighten.
 - Ensure that the forend is free of obstructions before firing.
- **Audience Specific Warnings:**
 - This product is intended for adult users only. Ensure that minors are supervised at all times when handling firearms.
 - If you are inexperienced with firearms, seek guidance from a qualified instructor before use.

Instructions for Installation and Usage

1. **Installation:**
 - Begin by ensuring the rifle action is unloaded and free of ammunition.
 - Place the rifle action into the chassis, aligning it with the VBlock bedding system.
 - Secure the action using the two provided screws. Tighten them evenly to ensure proper fit without overtightening.
 - Attach any desired accessories (e.g., bipods, tripods) to the ARCA rail as needed, ensuring they are securely mounted.
2. **Usage:**
 - Before firing, doublecheck that all components are secure and that the rifle is aimed at a safe target.
 - Adjust the cheek weld, hand position, and length of pull to achieve a comfortable and stable shooting posture.
 - Practice safe shooting techniques, including maintaining muzzle control and being aware of your target and surroundings.

Disposal Instructions

- Dispose of the chassis and any associated materials in accordance with local regulations.
- If the chassis is damaged or no longer in use, consider recycling the aluminum components where applicable.
- Do not dispose of any parts in a manner that could pose a safety risk to others.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please consult your local authorities or the relevant EU contact point for guidance. Additionally, check for recall updates on the EU's Safety Gate platform to stay informed about your product's safety status.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your attention to safety, and happy shooting!
