

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Volquartsen - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Volquartsen - FDE](#)

ACC Premier Gen 2 Folding System MDT Chassis Safety Instructions

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the chassis and all components for damage before each use. Do not use if any part is damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use only compatible accessories and components to avoid malfunctions.
- Store the chassis in a cool, dry place when not in use to prevent corrosion or damage.
- Be aware of your surroundings while using the chassis, especially in competitive environments.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installation or adjustment of the chassis.
- Always wear appropriate eye and ear protection when using firearms.
- Use the chassis only with firearms that are compatible and specified by the manufacturer.
- Do not modify the chassis in any way that is not authorized by the manufacturer.
- Be cautious when adjusting the length of pull and cheek weld to avoid pinching or injury.
- Regularly check screws and fittings for tightness to ensure stability during use.
- Familiarize yourself with the weight distribution of your setup to maintain balance and control.

Instructions for Installation and Usage

1. Installation

- Ensure the rifle is completely unloaded.
- Carefully drop the action into the chassis, ensuring proper alignment.
- Secure the action with the two screws provided. Tighten firmly but do not overtighten to avoid damage.
- Check that the action is stable and does not move within the chassis.

2. Adjustments

- Adjust the cheek weld and length of pull to fit your personal comfort.
- Make sure all adjustments are secure before use to prevent any movement during shooting.

3. Usage

- Always handle the rifle with care and respect.
- When using the chassis on barricades or PRS props, ensure that it is stable and secure.
- Maintain a proper shooting stance to enhance balance and control during use.

Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.

- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please contact the manufacturer directly. Ensure you have the product details on hand for a more efficient resolution.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the ACC Premier Gen 2 Folding System MDT Chassis.
