

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Remington 700 - SA - LH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your Remington 700 rifle. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your chassis is used safely and effectively. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the chassis by following all guidelines in this manual. This product is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any recall notices for this product. In the event of a recall, you will receive information on how to remedy the situation.
- **Online Shopping:** If purchased online, ensure that the retailer meets all safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored safely out of reach.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact point provided by your retailer.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate system. This system provides timely alerts on unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand this manual before using the chassis.
- **Inspect Before Use:** Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- **Proper Handling:** Always handle the chassis with care. Avoid dropping or striking it against hard surfaces.
- **Weight Limitations:** Ensure that your rifle setup does not exceed the recommended weight limit for the chassis.
- **Stability on Barricades:** When using the chassis on barricades or props, ensure it is stable and secure to avoid accidents.
- **Compatibility Check:** Verify that your action and components are compatible with the chassis to prevent malfunction or injury.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure the rifle is unloaded and pointed in a safe direction.
2. Remove the action from your existing stock.
3. Place the action into the ACC Premier Gen 2 Folding System chassis.
4. Secure the action using the two screws provided. Tighten screws firmly but do not overtighten.
5. Adjust the cheek weld, hand position, and length of pull to achieve a comfortable fit.

- **Usage Guidelines:**

- **Balance and Control:** Adjust weights as necessary to balance your rifle for optimal target acquisition.
- **Regular Maintenance:** Clean and maintain the chassis regularly to ensure it remains in good working condition.

- **Follow Safety Protocols:** Always follow standard firearm safety protocols when using your rifle.

Disposal Instructions

- **EndofLife Disposal:** Dispose of the chassis in accordance with local regulations. Do not dispose of in household waste.
- **Recycling:** If possible, recycle components made from metals and plastics to minimize environmental impact.

Contact Information for Further Support

For additional support or inquiries regarding safety, installation, or usage, please refer to the contact information provided by your retailer or manufacturer.

By adhering to these guidelines, you will ensure a safe and effective experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for prioritizing safety in your shooting activities.
