

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T3X - LA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This product is designed for competitive shooting and provides enhanced stability and customization. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the local laws and regulations regarding firearm accessories.
- Always handle firearms and related accessories with care and respect.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Do not exceed the recommended weight limits or modifications specified by the manufacturer.
- Always use the chassis in a safe environment, away from bystanders and flammable materials.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is unloaded before installation.
- Use only the screws provided by the manufacturer to secure the chassis.

• Operational Precautions:

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a clear shooting range before firing.

• Maintenance Precautions:

- Clean the chassis regularly to prevent buildup of dirt and debris.
- Check the VBlock bedding system for proper alignment and contact with the action.

• Weight System Precautions:

- When adjusting the weight system, ensure that weights are securely fastened.
- Avoid adding excessive weight that could affect the balance and handling of the rifle.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing stock from the Tikka T3X rifle.
- Position the ACC Premier Gen 2 chassis on the action of the rifle.
- Secure the chassis using the two screws provided, ensuring a tight fit.
- Check that the chassis is properly aligned and stable.

2. Usage:

- Adjust the cheek weld, hand position, and length of pull to suit your preferences.

- Attach any desired accessories, such as bipods or tripods, to the ARCA rail.
- Verify that all components are secure before use.

3. PostUsage:

- Clean the chassis and inspect for any damage after use.
- Store the chassis in a safe and dry location when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for aluminum components if available.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact the designated support line. Always ensure you have the latest information regarding product safety and recalls.

By following these guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis. Thank you for your attention to safety.
