

ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Tikka T3X - LA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis. This product is designed for competitive shooting and is engineered to provide enhanced stability, precision, and customization. To ensure the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle the chassis and your firearm with care, treating them as if they are loaded, even when they are not.
- Ensure that the chassis is compatible with your firearm model before installation.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage. If any issues are detected, cease use immediately and consult a qualified gunsmith.
- Use the chassis only for its intended purpose. Misuse can lead to accidents and injuries.
- Follow all local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- Ensure that the action is securely installed in the chassis before use. Improper installation can lead to malfunction and injury.
- When using the chassis in competitive environments, be aware of your surroundings and follow all safety protocols specific to the event.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not exceed the recommended weight limits when adjusting the chassis with MDT's weight system.
- Be cautious when adjusting the ergonomics of the chassis to avoid pinching or injury.

Instructions for Installation and Usage

1. Installation:

- Place the chassis on a stable surface.
- Carefully drop the action of your Tikka T3X into the chassis.
- Secure the action using the provided screws. Ensure that the screws are tightened appropriately, but do not overtighten as this may damage the chassis or the firearm.
- Check that the action is firmly seated and does not move within the chassis.

2. Usage:

- Adjust the cheek weld, hand position, and length of pull to fit your personal preferences for comfort and accuracy.
- Ensure that all accessories, such as bipods or tripods, are securely mounted to the ARCA rail.
- Regularly check the stability of the chassis during use, particularly after adjustments or changes in accessories.
- After use, clean the chassis according to the manufacturer's recommendations to maintain its integrity and performance.

Disposal Instructions

- Dispose of the chassis and any associated materials in accordance with local regulations.
- If the chassis is damaged beyond repair, ensure that it is rendered inoperable before disposal to prevent misuse.
- Consider recycling materials where possible, especially aluminum components.

Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the manufacturer's website or customer service for support. It is important to keep all documentation related to the product for warranty and safety information.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and following these guidelines will help ensure a safe and enjoyable experience with your ACC Premier Gen 2 Folding System MDT Chassis.
