

# ACC Premier Gen 2 Folding System - MDT Chassis - ACC Premier Gen 2 Folding System - Remington 700 - LA - CIP - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen 2 Folding System - Remington 700 - LA - CIP - RH - FDE](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015508

# Safety Instruction Guide for ACC Premier Gen 2 Folding System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 Folding System MDT Chassis for your Remington 700. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Always handle the chassis with care to avoid injuries.
- Ensure that the rifle is unloaded before installation or adjustment.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Check for any visible damage or wear before use. If any issues are found, do not use the product.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the chassis is properly secured to the rifle before use to prevent accidents.
- Always use the chassis in a safe and controlled environment, away from bystanders.
- Avoid placing any body parts in front of the muzzle when handling the rifle.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Use appropriate safety gear, such as eye and ear protection, while shooting.
- Never modify the chassis or any of its components, as this may compromise safety and performance.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your work area is clean and organized. Gather all necessary tools.
2. **Unloading the Rifle:** Make sure your Remington 700 is completely unloaded.
3. **Dropping the Action:** Place the rifle action into the chassis. Ensure it is aligned correctly.
4. **Securing the Action:** Use the provided screws to secure the action in place. Tighten them firmly, but do not overtighten as this may damage the chassis.
5. **Checking Stability:** After installation, check that the rifle is stable and securely mounted in the chassis.

### Usage

1. **Balancing:** Adjust the weight system if necessary to achieve optimal balance for your shooting style.
2. **Ergonomics:** Adjust the cheek weld and length of pull for a comfortable fit.
3. **Preparation for Shooting:** Before firing, ensure that the area is clear and that all safety precautions are in place.
4. **PostUse:** After usage, clean the chassis and check for any signs of wear or damage.

## Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Check for recycling options for aluminum materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 Folding System MDT Chassis, please refer to the manufacturer's contact points or customer support resources.

Thank you for prioritizing safety and for choosing the ACC Premier Gen 2 Folding System MDT Chassis. Enjoy your competitive shooting experience!
