

# ACC Premier Gen 2 - MDT Chassis - ACC Premier Gen2 - Remington 700 - LA - CIP - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 - Remington 700 - LA - CIP - RH - CCG](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015521

# Safety Instruction Guide for ACC Premier Gen 2 MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 MDT Chassis for your Remington 700 rifle. This guide provides important safety instructions to ensure safe and effective use of your chassis. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to instability during use, resulting in potential accidents.
- Failure to secure the action properly can cause the rifle to malfunction.
- Using incompatible accessories may compromise safety and performance.

- **Avoiding Hazards:**

- Always ensure the rifle action is correctly seated and secured before use.
- Do not exceed the recommended weight limits when adding accessories.
- Use only MDTcompatible accessories to maintain safety and performance standards.
- Avoid using the chassis in extreme weather conditions that may affect its integrity.

- **Age or AudienceSpecific Warnings:**

- This product is intended for use by adults or under adult supervision.
- Ensure that inexperienced users receive proper instruction before use.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the bolt from your Remington 700 rifle and ensure the firearm is unloaded.
- Place the action into the chassis, aligning it with the VBlock bedding system.
- Secure the action using the provided screws. Tighten them evenly to ensure a secure fit.
- Check that the action is stable and does not move within the chassis.

### 2. Usage:

- When using the chassis, ensure that it is placed on a stable surface or supported by a suitable bipod or tripod.
- Adjust the cheek weld, hand position, and length of pull to achieve a comfortable and effective shooting position.

- Regularly check the stability of the chassis during use, especially after adding or removing accessories.

### 3. **PostUsage:**

- After using the chassis, clean and inspect it for any signs of wear or damage.
- Store the chassis in a cool, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 MDT Chassis, please refer to your retailer or the manufacturer's website for additional support and resources.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the ACC Premier Gen 2 MDT Chassis!
