

# Core Bottom Metal - MDT Accessories - Core Bottom Metal - Remington 700 - SA - BLK

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The MDT CORE Bottom Metal gives you the freedom to run the magazine setup that best suits your rifle. Designed for smooth and reliable reloads, it's fully compatible with a wide range of AICS-pattern magazines, making it easy to choose the capacity you need for hunting, competition, or range days.

With the adjustable magazine latch (compatible with the MDT Adjustable Mag Latch), you can fine-tune your mag fitment for perfect retention and flawless feeding. The ambidextrous mag latch ensures comfortable operation from either side, whether you're left- or right-hand dominant.

# Safety Instruction Guide for MDT Core Bottom Metal

## Introduction

Thank you for choosing the MDT Core Bottom Metal for your Remington 700 rifle. This product is designed to enhance your shooting experience by providing a reliable and versatile magazine system. This guide outlines important safety instructions to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the rifle is unloaded before installing or handling the MDT Core Bottom Metal.
- Use only compatible AICSpattern magazines as specified by the manufacturer to avoid malfunctions.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the bottom metal for signs of wear or damage before each use.
- Follow all applicable local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Ensure that the adjustable magazine latch is properly set to your preferred fitment before use to avoid accidental magazine release.
- Always check that the magazine is securely locked in place before firing.
- Be cautious when using the ambidextrous mag latch; ensure that your fingers are clear of the mechanism during operation.
- When upgrading triggers, ensure compatibility with the MDT Core Bottom Metal to prevent operational issues.
- If using the product in adverse weather conditions, ensure that it is dried and cleaned after use to prevent corrosion.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing bottom metal from your Remington 700 rifle by following the manufacturer's instructions.
- Align the MDT Core Bottom Metal with the rifle's stock.
- Securely fasten the bottom metal according to the provided installation instructions.
- Adjust the magazine latch as needed for optimal fitment.

### 2. Usage

- Insert an AICSpattern magazine into the MDT Core Bottom Metal.
- Ensure that the magazine is fully seated and locked in place.
- Test the magazine retention by gently pulling on the magazine to confirm it is secure.
- To release the magazine, operate the ambidextrous mag latch while holding the rifle in a safe direction.

## Disposal Instructions

- Dispose of the MDT Core Bottom Metal in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the aluminum material where facilities exist.

- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact details provided with your product packaging or visit the official MDT website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Core Bottom Metal. Always prioritize safety and compliance with local laws when handling firearms and firearm accessories.
