

Sling stud post-ARCA

[Shooting Accessories](#) > [Duty Gear](#)

The SLING STUD POST replaces the standard sling stud on your rifle, allowing you to attach it directly to a Clamp Lock on your backpack for hands-free carry. Designed for convenience and speed, it makes hiking and glassing significantly easier and more comfortable by keeping your rifle securely mounted and instantly accessible.

When choosing your Sling Stud Post, note that if you plan to attach your rifle to a tripod, the Sling Stud ARCA version is the right choice. Both versions are compatible with bipods using the included sling stud, ensuring full versatility in the field.

Sling Stud Post Safety Instruction Guide

Introduction

Thank you for choosing the Sling Stud PostARCA. This product is designed to enhance your outdoor experience by providing a secure and convenient way to carry your rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the Sling Stud Post.

General Safety Guidelines

- Always use the Sling Stud Post as intended and follow all instructions provided in this guide.
- Inspect the Sling Stud Post prior to each use. Do not use if damaged or if any parts are missing.
- Keep the Sling Stud Post out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Sling Stud Post is securely attached to your rifle before use.
- When attaching your rifle to a tripod, use the Sling Stud ARCA version to ensure compatibility.
- Do not exceed the weight limits specified for your rifle and accessories.
- Avoid using the Sling Stud Post in adverse weather conditions that may affect your safety or the functionality of the product.
- Always ensure that the rifle is unloaded when attaching or detaching it from the Sling Stud Post.

Instructions for Installation and Usage

1. Installation:

- Remove the existing sling stud from your rifle if applicable.
- Attach the Sling Stud Post by following these steps:
 - Align the post with the mounting point on your rifle.
 - Securely fasten the post using the included hardware.
- Ensure that the Sling Stud Post is tightened properly and does not move.

2. Usage:

- To attach your rifle to a Clamp Lock on your backpack, slide the Sling Stud Post into the clamp until it clicks into place.
- Ensure that the rifle is held securely and is not at risk of falling.
- When hiking or glassing, regularly check the security of the attachment.

Disposal Instructions

- Dispose of the Sling Stud Post according to local waste management regulations.
- Do not dispose of the product in regular household waste if it contains electronic components or hazardous materials.
- Consider recycling or donating the product if it is still in usable condition.

Contact Information for Further Support

For any inquiries or concerns regarding the Sling Stud Post, please contact the manufacturer or refer to the product packaging for further guidance.

Thank you for choosing the Sling Stud Post. Enjoy your outdoor adventures safely!
