

# Sling stud post- PIC

[Shooting Accessories](#) > [Duty Gear](#)

The SLING STUD POST replaces the standard sling stud on your rifle, allowing you to attach it directly to a Clamp Lock on your backpack for hands-free carry. Designed for convenience and speed, it makes hiking and glassing significantly easier and more comfortable by keeping your rifle securely mounted and instantly accessible.

When choosing your Sling Stud Post, note that if you plan to attach your rifle to a tripod, the Sling Stud ARCA version is the right choice. Both versions are compatible with bipods using the included sling stud, ensuring full versatility in the field.

# Sling Stud Post Safety Instruction Guide

## Introduction

Thank you for choosing the Sling Stud Post by OBI SYSTEMS. This product is designed to enhance your outdoor experience by allowing you to securely attach your rifle to your backpack for handsfree carry. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the Sling Stud Post is properly installed before use.
- Regularly inspect the Sling Stud Post for any signs of wear or damage.
- Use the Sling Stud Post only for its intended purpose, which is to securely attach a rifle to a backpack or tripod.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to accidental detachment, posing a risk of injury.
  - Overloading the Sling Stud Post beyond its intended capacity can cause failure.
- **Instructions for Avoiding Hazards:**
  - Always follow the installation instructions carefully.
  - Do not exceed the weight limit specified in the product documentation.
  - Ensure that the rifle is securely fastened before moving.
  - Use caution when transitioning between different carrying methods (e.g., from backpack to tripod).
- **AgeSpecific Warnings:**
  - This product is not suitable for children. Ensure that only responsible adults handle and use the Sling Stud Post.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the standard sling stud from your rifle.
- Align the Sling Stud Post with the mounting hole on your rifle.
- Securely fasten the Sling Stud Post using the included hardware, ensuring it is tightened according to the manufacturer's specifications.

### 2. Usage:

- To attach the rifle to a backpack:
  - Locate the Clamp Lock on your backpack.
  - Insert the Sling Stud Post into the Clamp Lock until it clicks into place.
  - Ensure that the rifle is held securely before beginning your hike.
- To attach the rifle to a tripod:

- Use the Sling Stud ARCA version for compatibility.
- Follow the tripod manufacturer's instructions for secure attachment.

### 3. **Regular Maintenance:**

- Periodically check the integrity of the Sling Stud Post and the attachment points.
- Clean the Sling Stud Post with a damp cloth to remove dirt and debris.

## **Disposal Instructions**

- Dispose of the Sling Stud Post in accordance with local regulations for electronic and nonfood products.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Sling Stud Post, please refer to the manufacturer's contact details provided with your purchase. Ensure you have the product information ready for efficient support.

Thank you for prioritizing safety while enjoying your outdoor activities with the Sling Stud Post.
