# Safety Instruction Guide for Hunter Bottom Metal Remington 700 MDT Accessories

## Introduction

Thank you for choosing the Hunter Bottom Metal for your Remington 700 MDT Accessories. This product is designed to enhance your hunting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of the product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of potential hazards associated with improper use or installation.
- Regularly check for updates regarding product recalls on the EU's Safety Gate platform.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.
- Keep the product out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Always inspect the product for any signs of damage before each use.
- Ensure that the magazine release lock is functioning correctly to prevent unexpected drops.
- Use the adjustable tension control on the magazine lock to suit your preferences, ensuring it is secure before use.
- Avoid using the product in extreme weather conditions if it has not been properly maintained.
- Always wear appropriate safety gear when using firearms in conjunction with this product.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure you have all necessary tools and components for installation.
2. **Remove Existing Bottom Metal:** Carefully detach the existing bottom metal from your rifle stock, following manufacturer guidelines.
3. **Attach the MDT Bottom Metal:**
  - Align the MDT Bottom Metal with the mounting points on your rifle stock.
  - Securely fasten the bottom metal using the provided screws and tools.
4. **Check Functionality:** Before use, ensure that the magazine release lock and adjustable tension control are functioning properly.

### Usage

1. **Loading the Magazine:**
  - Insert the magazine into the bottom metal until you hear a click, indicating it is securely locked in place.
2. **Adjusting Tension:**
  - Use the adjustable tension control to set the desired magazine retention level.
3. **Regular Maintenance:**
  - Clean the bottom metal regularly to prevent corrosion. Use a soft cloth and appropriate cleaning solution.
  - Check for rust or wear on the hardware, and replace any damaged components immediately.

## **Disposal Instructions**

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please reach out to the designated EU contact point for assistance.

Thank you for your attention to these safety instructions. Enjoy your hunting experience with the Hunter Bottom Metal!
