# Volquartsen Spare Parts Replacement Barrel Safety Instructions

## Introduction

Thank you for choosing the Volquartsen Spare Parts Replacement Barrel for the Mamba LLV, 6". This product is designed for factory installation only. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is installed by a qualified professional to avoid any risks associated with improper installation.
- Always handle the barrel and firearm with care to prevent accidents.
- Store the barrel in a safe place, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- If you encounter any issues or have questions about the product, seek assistance from a qualified professional.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before installing or replacing the barrel.
- Do not use the barrel if it shows signs of damage or if it has been modified in any way.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the proper tools and workspace to safely install the replacement barrel.
- Review the firearm's manual for specific instructions related to barrel replacement.

### 2. Installation Steps

- Make sure the firearm is completely unloaded.
- Remove the existing barrel according to the manufacturer's instructions.
- Carefully align the new Volquartsen replacement barrel with the firearm.
- Securely fasten the barrel using the appropriate tools, ensuring it is correctly installed per the manufacturer's specifications.
- Perform a safety check to confirm that the barrel is properly installed and secured.

### 3. PostInstallation

- Conduct a function check of the firearm to ensure it operates correctly with the new barrel.
- Clean the barrel according to the manufacturer's recommendations to maintain optimal performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barrel is no longer in use, consult local regulations for proper disposal methods of firearm

components.

## Contact Information for Further Support

For any inquiries or concerns regarding the Volquartsen Spare Parts Replacement Barrel, please reach out to the designated EU contact point for safety inquiries. Ensure you have the product details ready for efficient assistance.

## Conclusion

By following these safety instructions, you can ensure the safe use of the Volquartsen Spare Parts Replacement Barrel for the Mamba LLV, 6". Please remain vigilant and prioritize safety at all times. Thank you for your attention to these guidelines.
