Introduction

Thank you for choosing Volquartsen Spare Parts Replacement Screws for the VC2TT model. This guide provides essential safety instructions to ensure safe usage and proper handling of the screws. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always ensure that you are using the correct replacement screws for your specific model.
- Inspect the screws for any visible damage or defects before installation.
- Keep these screws out of reach of children and vulnerable individuals to prevent accidental ingestion or injury.
- Use the screws only for their intended purpose as specified in the product documentation.
- In case of any malfunction or safety concern, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate safety gear (e.g., safety glasses) when handling and installing the screws.
- Avoid using excessive force during installation to prevent damage to the product or injury.
- Be cautious of sharp edges on the screws that may cause cuts or punctures.
- If you experience any difficulty during installation, consult a qualified technician for assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools required for installation, including a screwdriver compatible with the screws.
- Ensure that the working area is clean and welllit.

2. Removal of Old Screws

- Carefully remove the existing screws from the VC2TT model using the appropriate screwdriver.
- Keep the removed screws in a safe place in case they need to be reused.

3. Installation of Replacement Screws

- Select the appropriate replacement screw from the set provided.
- Align the screw with the designated hole and insert it gently.
- Using the screwdriver, tighten the screw until secure, but do not overtighten.

4. Final Check

- After installing all replacement screws, doublecheck to ensure they are all securely fastened.
- Test the functionality of the VC2TT model to ensure proper operation.

Disposal Instructions

- Dispose of any old screws and packaging materials in accordance with local waste disposal regulations.

- Do not dispose of screws in a manner that may pose a risk to the environment or public safety.
