Volquartsen Spare Parts LLV Comp Screws Safety Instructions

Introduction

Thank you for choosing the Volquartsen Spare Parts LLV Comp Screws for Mamba and Scorpion LLV. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the screws out of reach of children and pets.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Follow all instructions provided in this manual to avoid potential hazards.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use only compatible tools when installing the screws to avoid injury or damage.
- Always wear appropriate personal protective equipment (PPE) such as gloves and safety glasses during installation.
- Avoid using excessive force when tightening screws to prevent stripping or damaging the threads.
- Ensure that the screws are properly secured before using the Mamba or Scorpion LLV to prevent malfunction.
- Do not modify the screws or use them in a manner not specified in this manual.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including compatible screwdrivers.
- Ensure the workspace is clean and free of distractions.

2. Installation:

- Align the LLV Comp Screws with the predrilled holes on the Mamba or Scorpion LLV.
- Insert the screws into the holes.
- Using the appropriate screwdriver, tighten the screws until they are secure. Do not overtighten.

3. Usage:

- Once installed, perform a visual inspection to ensure all screws are properly secured.
- Test the functionality of the Mamba or Scorpion LLV before regular use.
- If any issues arise during usage, discontinue use immediately and inspect the screws.

Disposal Instructions

- Dispose of any unused screws or packaging materials in accordance with local waste disposal regulations.
- Do not dispose of screws in fire, as they may cause injury or release harmful substances.
