

Chronographs - MagnetoSpeed Sporter

[Shooting Accessories](#) > [Range Gear](#) > [Chronographs](#)

The MagnetoSpeed Sporter Chronograph Kit is designed for barrels with diameters ranging from ½ inch to 1 inch. It also accommodates muzzle devices such as muzzle brakes, flash hiders, and more up to 2.7 inches in length, making it ideal for contoured rifle barrels (Sporter barrels).

Features of the MagnetoSpeed Sporter:

- One-button display: Shows velocity and statistics from recent shots; plug in to power on
- Battery: 9-Volt (included)
- Easy-access battery compartment: No screwdriver required for replacement
- Three sensitivity settings: Allows fine-tuning for different barrels and conditions
- Integrated, quick-attach strap system: Includes metal buckle and Triad thumbscrew for secure mounting
- Proven technology: Updated sensor design for reliability and accuracy
- Integrated 3.5 ft sensor cable

MagnetoSpeed Sporter Chronograph Safety Instruction Guide

Introduction

Thank you for choosing the MagnetoSpeed Sporter Chronograph Kit. This guide provides essential safety instructions and operational guidelines to ensure a safe and effective experience with your chronograph. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always inspect the chronograph and its components for damage before use.
- Keep the chronograph out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for product recalls on the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Highspeed projectiles can pose a risk of injury. Always maintain a safe distance when using the chronograph.
 - Ensure the chronograph is securely mounted to prevent movement during use.
- **Avoiding Hazards:**
 - Never stand directly in front of the chronograph while it is in use.
 - Use appropriate eye protection when operating firearms or other projectiles.
 - Do not attempt to modify the chronograph or its components.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 1. Choose a suitable location for the chronograph that is free from obstructions and at a safe distance from the firing line.
 2. Attach the integrated strap system to secure the chronograph to the barrel of your firearm.
 3. Ensure the chronograph is positioned correctly to capture the projectile's velocity.
- **Usage:**
 1. Plug in the device to power on. The onebutton display will show the velocity and statistics from recent shots.
 2. Use the sensitivity settings to adjust for different barrel types and conditions.
 3. Monitor the display for realtime velocity readings and statistics.
 4. After use, unplug the device and store it in a safe location.

Disposal Instructions

- Dispose of the chronograph and its components in accordance with local regulations.
- Remove the battery before disposal and recycle it according to local battery recycling guidelines.
- Do not dispose of electronic waste in regular household trash.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Enjoy using your MagnetoSpeed Sporter Chronograph Kit responsibly and safely!
