

## Accessories - Chronographs - MagnetoSpeed Large Brake Adapter

[Shooting Accessories](#) > [Range Gear](#) > [Chronographs](#)

The Large Brake Adapter allows you to use your MagnetoSpeed V3 with muzzle brakes up to 7.7 inches in length and 1.6 inches in diameter at the muzzle end. It is specifically designed to compensate for the extended length of muzzle brakes commonly found on large-caliber rifles such as .338 and .50 BMG.

### Product Features:

Material: Precision-machined 6061 aluminum

Easy to use: Utilizes the included V3 Rail Adapter to clamp securely to the rifle barrel

Compatibility: Designed for seamless use with the MagnetoSpeed V3 bayonet

# Safety Instruction Guide for MagnetoSpeed Large Brake Adapter

## Introduction

Thank you for choosing the MagnetoSpeed Large Brake Adapter. This product is designed to enhance your shooting experience by allowing the use of the MagnetoSpeed V3 with larger muzzle brakes. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a safe place, out of reach of children and pets.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the Large Brake Adapter with compatible muzzle brakes that meet the specified dimensions (up to 7.7 inches in length and 1.6 inches in diameter).
- Ensure that the adapter is securely clamped to the rifle barrel before use.
- Avoid using the product in wet or damp conditions to prevent potential malfunction.
- Do not modify the Large Brake Adapter in any way, as this may compromise safety and performance.
- Always wear appropriate eye and ear protection when using firearms equipped with the adapter.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the Large Brake Adapter and the included V3 Rail Adapter.
- Align the V3 Rail Adapter with the rifle barrel, ensuring it is positioned correctly.
- Securely clamp the V3 Rail Adapter using the provided hardware, ensuring a tight fit.
- Attach the Large Brake Adapter to the V3 Rail Adapter, following the manufacturer's instructions to ensure proper alignment.

### 2. Usage:

- Before firing, doublecheck that the adapter is firmly attached and that all components are secure.
- When using the MagnetoSpeed V3, ensure that it is properly calibrated according to the user manual.
- After use, carefully detach the Large Brake Adapter and store it in a safe location.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the MagnetoSpeed Large Brake Adapter, please refer to the manufacturer's website or customer support resources for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MagnetoSpeed Large Brake Adapter. Thank you for prioritizing safety.
