

Accessories - Chronographs - Magnetospeed V3 Mount-GRYOPS

[Shooting Accessories](#)

Experience the precision of the MagnetoSpeed V3 Chronograph with the Gray Ops CNC Off-Barrel Mount, designed to eliminate barrel harmonics interference. This mounting solution attaches directly to your rifle chassis and extends the bayonet mount to the muzzle, allowing accurate velocity measurements without affecting point of impact.

Save time and ammunition by zeroing your rifle and collecting precise velocity data simultaneously—without compromising accuracy.

Features:

- Material: Precision-machined from durable 6061 aluminum
- Finish: Black and red anodized components with corrosion-resistant black-nitride steel rods
- Adjustment knobs: Ergonomic and comfortable to use
- Compatibility: Supports barrel lengths from SBR to over 30 inches (76 cm)
- Mounting interface: Atlas-style mount for QD throw levers or other Atlas-compatible clamps
- Design: Extremely rigid, minimizing movement once set up
- Repeatable positioning: Maintains consistent alignment after initial setup

Attributes

- Name: [Magnetospeed V3 Mount-GRYOPS](#)
- Manufacturer: [MAGNETOSPEED](#)
- Product no.: EU2016407
- Mfr. No.: 0933GO00
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Safety Instruction Guide for MagnetoSpeed V3 Chronograph with Gray Ops Mount

Introduction

Thank you for choosing the MagnetoSpeed V3 Chronograph with Gray Ops CNC OffBarrel Mount. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the product to understand the safety measures and proper handling procedures.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the mounting equipment for signs of wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- If you notice any malfunction or damage, discontinue use immediately and contact support.
- Always wear appropriate safety gear, such as eye protection, when using firearms.

Specific Safety Precautions for Use

- **Avoid Overheating:** Do not expose the chronograph to extreme temperatures or direct sunlight for prolonged periods.
- **Mounting Stability:** Ensure that the mount is securely attached to the rifle chassis to prevent movement during use.
- **Correct Alignment:** Position the chronograph correctly to ensure accurate velocity readings. Misalignment can lead to inaccurate data.
- **Safe Handling:** Treat all firearms as if they are loaded. Always point the muzzle in a safe direction.
- **Avoid Obstructions:** Ensure that there are no obstructions in the path of the projectile when using the chronograph.

Instructions for Installation and Usage

1. Installation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Attach the Gray Ops CNC OffBarrel Mount to the rifle chassis following the manufacturer's instructions.
- Extend the bayonet mount to the muzzle, ensuring it is securely fastened.
- Adjust the mount to achieve the desired positioning, ensuring it is rigid and stable.

2. Usage

- Before taking measurements, check that the chronograph is properly aligned with the muzzle.
- Turn on the chronograph and ensure it is functioning correctly.
- Fire a test round to confirm that the chronograph is capturing velocity data accurately.
- Record the data as needed. Monitor the chronograph for any signs of malfunction during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Remove any batteries and dispose of them separately as per local battery disposal guidelines.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding the MagnetoSpeed V3 Chronograph with Gray Ops Mount, please contact the manufacturer or your local distributor. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safe and effective experience with your MagnetoSpeed V3 Chronograph and Gray Ops Mount. Always prioritize safety and responsible handling when using this equipment.
