# Safety Instruction Guide for Magnetospeed Angle Adaptors GRYOPS

## Introduction

Thank you for choosing the Magnetospeed Angle Adaptors GRYOPS. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the product to minimize risks and ensure a safe experience.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that all components are properly secured before use.
- Be aware of your surroundings while using the product to avoid accidents.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not modify the product in any way, as this may compromise safety.
- Ensure that the MagnetoSpeed V3 Bayonet is securely attached to the adaptor.
- Use the adaptor only with compatible stocks or chassis that meet the specified angle requirements.
- When adjusting the angle, do so carefully to avoid injury.
- Do not exceed the recommended angle settings of 5 and 2.5 degrees based on the selected hole configuration.
- Avoid using the product in wet or slippery conditions to prevent slips and falls.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have all necessary components: MagnetoSpeed V3 Bayonet and the Angle Adaptors.
- Select the appropriate hole configuration based on your stock/chassis setup.

### 2. Installation:

- Align the MagnetoSpeed V3 Bayonet with the chosen angle adaptor.
- Securely attach the adaptor to the stock or chassis, ensuring it is parallel to the bore.
- Verify that the adaptor is firmly in place and will not move during use.

### 3. Usage:

- Before each use, doublecheck that the adaptor is securely attached and that the angle is correctly set.
- Use the product in a safe environment, away from obstacles and hazards.
- Follow all operational guidelines and safety protocols while using the product.

### 4. PostUse:

- After use, inspect the product for any wear or damage.
- Clean the adaptor as needed to maintain its condition.

- Store the product in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is no longer functional or safe to use, contact your local waste management authority for guidance on proper disposal.

## Contact Information for Further Support

For any inquiries or safety concerns regarding the Magnetospeed Angle Adaptors GRYOPS, please reach out to the designated support channels provided by the manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with your Magnetospeed Angle Adaptors GRYOPS. Thank you for your attention to safety.
