# CZ TRIGGERS CZ455 3lb Pull Weight Adjustable Safety Instruction Guide

## Introduction

Thank you for choosing the CZ TRIGGERS CZ455 adjustable trigger. This product is designed to enhance the performance of your bolt action rifle by providing a clean and crisp trigger pull. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the trigger is adjusted to a safe pull weight before use.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Use appropriate eye and ear protection while handling firearms.
- Store the firearm and trigger in a secure location, away from children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- Ensure that the trigger is installed correctly according to the manufacturer's instructions.
- Do not exceed the recommended pull weight adjustment of 24 lbs.
- Avoid making adjustments to the trigger while the firearm is loaded.
- If you experience any malfunctions or irregularities with the trigger, cease use immediately and consult a qualified gunsmith.
- Be cautious when adjusting the trigger settings; small changes can significantly affect performance.
- Never attempt to modify or alter the trigger beyond the manufacturer's specifications.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger following the manufacturer's instructions.
- Install the CZ TRIGGERS CZ455 trigger by following these steps:
  - Align the trigger with the trigger housing.
  - Secure the trigger in place using the appropriate screws and tools.
  - Ensure all components are tightened and properly seated.
- Check the function of the trigger by performing a dry fire test (ensure the firearm is unloaded).

### 2. Adjusting the Trigger

- To adjust the pull weight:
  - Use the provided adjustment tool to turn the weight adjustment screw.
  - Clockwise turns will increase the pull weight; counterclockwise turns will decrease it.
  - Adjust to the desired weight within the 24 lb range, ensuring it is suitable for your shooting style.
- Test the trigger after adjustments to ensure it functions correctly and safely.

### 3. Usage

- Before firing, ensure that the firearm is properly sighted and that you are in a safe environment.
- Practice safe handling techniques, including keeping your finger off the trigger until you are ready to shoot.
- Regularly check the trigger settings and function before each use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger becomes damaged or is no longer functional, do not attempt to repair it. Dispose of it in a safe manner.
- Follow local guidelines for the disposal of firearms and related components.

## **Contact Information for Further Support**

For any inquiries regarding the CZ TRIGGERS CZ455 trigger, please refer to your local dealer or the manufacturer's support resources. Ensure you have the product details available for assistance.

Stay safe and enjoy your shooting experience with the CZ TRIGGERS CZ455!
