

# CZ TRIGGERS - CZ550 \*\*3lb\*\* Pull weight adjustable 1.5-4lb

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Timney is the market leader in replacement triggers for CZ rifles.

This is a true drop-in trigger, factory calibrated and ready to shoot, yet fully adjustable for sear engagement (creep), overtravel (follow-through), and pull weight to suit individual preferences.

The trigger is designed to enhance accuracy, requires no gunsmithing, and installs quickly and easily. It is ready for use straight out of the box or can be fine-tuned for a custom trigger feel.

Compatible with CZ 500 rifles.

# CZ TRIGGERS CZ550 Safety Instruction Guide

## Introduction

Thank you for choosing the CZ TRIGGERS CZ550 with a 3lb pull weight adjustable from 1.54lb. This product is designed to enhance your shooting experience by providing a customizable trigger feel. Please read this safety instruction guide carefully to ensure safe and effective use of your trigger.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for any signs of wear or malfunction.
- Only use the trigger with compatible CZ 500 rifles.
- Follow all local laws and regulations regarding firearms and their accessories.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and that the safety mechanism is engaged.
- Be aware of the adjustable pull weight feature. Adjust to your preference while ensuring it remains within the specified range of 1.54lb.
- Avoid making adjustments while the firearm is loaded or in a potentially unsafe environment.
- If you experience any irregularities with the trigger, cease use immediately and consult a qualified gunsmith.
- Keep the trigger and surrounding area clean and free of debris to ensure proper function.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your CZ 500 rifle is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if any are required).

### 2. Installation:

- Remove the existing trigger from your CZ 500 rifle according to the manufacturer's instructions.
- Insert the CZ TRIGGERS CZ550 into the trigger housing, ensuring it fits securely.
- Follow the manufacturer's guidelines for calibrating the trigger, including adjustments for sear engagement, overtravel, and pull weight.

### 3. Testing:

- After installation, test the trigger in a safe environment.
- Ensure that the trigger engages and releases smoothly without any hindrance.

### 4. Adjustment:

- Adjust the pull weight to your desired setting within the 1.54lb range.
- Make adjustments carefully, and always test the trigger after each adjustment.

### 5. Usage:

- When ready to shoot, ensure that you are in a safe location and that all safety precautions are

- followed.
- Maintain focus and control while using your firearm.

## Disposal Instructions

- Dispose of this product in accordance with local regulations regarding firearms and firearm accessories.
- If the trigger is no longer functional or safe to use, consider returning it to the manufacturer or a qualified firearms dealer for proper disposal.

## Contact Information for Further Support

For any questions or concerns regarding the CZ TRIGGERS CZ550, please refer to the manufacturer's contact information provided with the product packaging. Always ensure that you have access to support for safety inquiries.

## Conclusion

By following these safety instructions, you can enhance your shooting experience while ensuring the safety of yourself and those around you. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention to these important guidelines.
