Timney customers have long requested a dedicated trigger upgrade for the CZ Model 457, suitable for both hunting and competition shooting and Timney delivered.

Designed for shooters who demand maximum trigger performance, the CZ 457 replacement trigger combines rugged reliability with fine adjustability. It is user-friendly and allows precise adjustment of pull weight and overtravel, while still being sensitive enough to set the pull as low as 10 ounces and up to 2 pounds. Every component is precision-machined using state-of-the-art manufacturing methods—no metal injection molding or stamped parts. The trigger also features Timney's new SEAL'd™ (Sear Engagement Adjustment Lock) system, ensuring secure settings and straightforward adjustment.
