

# DeathGrip - Camo DeathGrip Bantam Realtree Original

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

When you need rock-solid support without the bulk, the DeathGrip® Bantam delivers. Built with the trusted DNA of the original BOG® DeathGrip®, this compact tripod weighs only 3.1 lbs - up to 44% lighter than the competition. With sitting-to-kneeling shooting positions, a 40 lb max weight capacity, and a price tag up to 30% less than other “contenders,” the Bantam punches way above its weight class. Now available in Realtree® Original camo.

# DeathGrip Bantam Safety Instruction Guide

## Introduction

Thank you for choosing the DeathGrip® Bantam. This tripod is designed for reliable support during your shooting activities while being lightweight and compact. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always inspect the tripod before use for any signs of damage or wear.
- Ensure that the tripod is set up on a stable surface to prevent tipping.
- Do not exceed the maximum weight capacity of 40 lbs.
- Keep the tripod away from children and vulnerable individuals to prevent accidents.
- If using the tripod in outdoor environments, be cautious of changing weather conditions that may affect stability.

## Specific Safety Precautions for Use

- Ensure that all legs are fully extended and locked before placing any equipment on the tripod.
- Avoid using the tripod in high winds or unstable terrain.
- When adjusting the tripod height, do so slowly and ensure all locking mechanisms are engaged.
- Do not use the tripod for purposes other than for which it was designed.
- If you notice any instability or wobbling, discontinue use immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Setup:

- Unfold the tripod legs and place them on a flat, stable surface.
- Adjust the leg length as necessary, ensuring each leg is locked securely in place.

### 2. Mounting Equipment:

- Attach your equipment (e.g., camera, rifle) to the mounting plate.
- Ensure that the equipment is securely fastened before use.

### 3. Adjusting Height:

- To adjust the height, unlock the leg locks and extend or retract the legs to your desired height.
- Lock the legs securely after adjustment.

### 4. Shooting Position:

- For sitting/kneeling positions, ensure the tripod is stable and your equipment is balanced.
- Always maintain a firm grip on your equipment when in use.

### 5. Packing Up:

- After use, carefully detach any equipment from the tripod.
- Collapse the tripod legs and store it in a safe place.

## **Disposal Instructions**

- Dispose of the DeathGrip® Bantam in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries or support, please reach out to the designated contact point provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your DeathGrip® Bantam. Always prioritize safety and be aware of your surroundings while using the tripod. Thank you for your attention to these guidelines.
