

Nylon Best Bore Brush, .25 Cal / 6.5mm 3-Pack

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Tipton Best Nylon Bore Brush is built for serious shooters who demand fast, effective, and safe barrel cleaning. Extra-stiff bristles cut through copper fouling, stubborn carbon, and residue to significantly reduce cleaning time. Unlike standard nylon brushes, the thick bristles resist breakdown from aggressive scrubbing and harsh cleaning solvents, delivering long-lasting performance.

Designed with a non-marring brass core, this brush is 100% safe for both rifle and pistol barrels. Available in 14 sizes from .17 caliber to .50 caliber, the Tipton Best Nylon Bore Brush provides superior cleaning power across a wide range of firearms. Sold in packs of three.

Nylon Best Bore Brush Safety Instructions

Introduction

Thank you for choosing the Nylon Best Bore Brush, .25 Cal / 6.5mm. This product is designed for serious shooters who require effective and safe barrel cleaning. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Inspect the bore brush before each use for any signs of damage or wear.
- Keep the bore brush out of reach of children and pets.
- Use the bore brush only for its intended purpose: cleaning firearm barrels.
- Avoid using excessive force when cleaning to prevent damage to the brush or barrel.
- Store the bore brush in a cool, dry place away from direct sunlight.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**

- Wear safety glasses to protect your eyes from debris.
- Use gloves to protect your hands from cleaning solvents and chemicals.

- **Handling Cleaning Solvents:**

- Always use cleaning solvents in a wellventilated area.
- Follow the manufacturer's instructions for any cleaning solvents used with the bore brush.
- Avoid skin contact with solvents and wash hands thoroughly after use.

- **Barrel Safety:**

- Ensure the firearm is unloaded before cleaning.
- Always point the firearm in a safe direction when cleaning.
- Do not insert the bore brush into a loaded firearm.

Instructions for Installation and Usage

- **Installation:**

- Attach the bore brush to a cleaning rod or handle that is compatible with the brush size.
- Ensure a secure connection to avoid detachment during use.

- **Usage:**

- Insert the bore brush into the barrel from the chamber end (if applicable).
- Use a smooth, backandforth motion to clean the barrel.
- Avoid aggressive scrubbing; let the bristles do the work.
- After cleaning, remove the brush and inspect for any residue or damage.
- Clean the bore brush after each use with warm, soapy water and allow to dry completely before storage.

Disposal Instructions

- Dispose of the bore brush according to local regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or additional information regarding the Nylon Best Bore Brush, please contact the manufacturer directly using the contact details provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Nylon Best Bore Brush. Thank you for your attention to safety and for choosing our product.
