

Nylon Best Bore Brush, .50 Cal 3-Pack

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Tipton Best Nylon Bore Brush is built for serious shooters who demand fast, effective, and safe barrel cleaning. Extra-stiff bristles cut through copper fouling, stubborn carbon, and residue to significantly reduce cleaning time. Unlike standard nylon brushes, the thick bristles resist breakdown from aggressive scrubbing and harsh cleaning solvents, delivering long-lasting performance.

Designed with a non-marring brass core, this brush is 100% safe for both rifle and pistol barrels. Available in 14 sizes from .17 caliber to .50 caliber, the Tipton Best Nylon Bore Brush provides superior cleaning power across a wide range of firearms. Sold in packs of three.

Safety Instruction Guide for the Nylon Best Bore Brush, .50 Cal

Introduction

Thank you for choosing the Tipton Best Nylon Bore Brush, .50 Cal. This guide provides essential safety instructions to ensure the safe use of the product. Please read and follow these guidelines carefully to maximize your safety and the effectiveness of the bore brush.

General Safety Guidelines

- Always use the bore brush in a wellventilated area.
- Keep the bore brush out of reach of children and pets.
- Inspect the bore brush before each use for any signs of wear or damage.
- Do not use the bore brush for any purpose other than cleaning firearm barrels.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using cleaning solvents.
- Avoid aggressive scrubbing that could damage the firearm barrel.
- Do not immerse the bore brush in solvents; apply solvent directly to the brush or barrel.
- Dispose of used cleaning materials and solvents according to local regulations.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded and safe to clean.
- Gather all necessary cleaning supplies, including the bore brush, cleaning solvent, and a cleaning rod.

2. Attaching the Bore Brush

- Attach the bore brush to the cleaning rod securely.
- Ensure the brush is properly aligned with the cleaning rod to avoid damage during use.

3. Cleaning the Barrel

- Apply a small amount of cleaning solvent to the bristles of the bore brush.
- Insert the bore brush into the barrel from the chamber end, if possible.
- Move the brush back and forth through the barrel several times to remove fouling and residue.
- Withdraw the brush from the barrel carefully.

4. Final Steps

- Inspect the bore for cleanliness.
- Repeat the cleaning process as necessary until the barrel is clean.
- After use, clean the bore brush with warm, soapy water and let it dry completely.

Disposal Instructions

- Dispose of the bore brush responsibly when it is worn out or no longer effective.
- Follow local regulations for the disposal of cleaning solvents and materials.
- Do not dispose of the bore brush in regular household waste; check for recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact the manufacturer or your local retailer for assistance. Always ensure that you are following the most current safety guidelines and regulations.

Thank you for choosing the Tipton Best Nylon Bore Brush, .50 Cal. Your safety is our priority.
