

AR-15 Magazine 10 Round - Polymer - .223 Rem

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The GTS 10 Round AR-15 Magazine is a compact and reliable polymer magazine designed for modern AR-15 rifles chambered in .223 Remington and 5.56 NATO.

Constructed from high-strength polymer, it offers an excellent balance of low weight, impact resistance, and long-term durability. The reinforced magazine body ensures stable lock-up in standard AR-pattern lowers while maintaining smooth handling during reloads.

Its internal geometry is optimized for consistent cartridge presentation, supporting reliable feeding across a wide range of ammunition types. An anti-tilt follower helps ensure smooth upward movement and reduces the risk of feeding issues, even during dynamic use.

With a fixed 10-round capacity, this magazine is ideal for compliance-restricted environments, training applications, and precision shooting. The shorter profile compared to full-size magazines also improves comfort when shooting from prone or supported positions.

A textured exterior provides a secure grip, even with gloves or in wet conditions. Lightweight, robust, and purpose-built, the GTS 10 Round AR-15 Magazine delivers dependable performance in a durable polymer platform.

Safety Instruction Guide for AR15 Magazine 10 Round Polymer .223 Rem

Introduction

Thank you for choosing the GTS 10 Round AR15 Magazine. This guide provides important safety instructions and information to ensure the safe use of this product. Please read this document carefully before use to avoid potential hazards and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the magazine is used only with compatible AR15 rifles chambered in .223 Remington and 5.56 NATO.
- Always handle firearms and magazines with care, following standard safety practices.
- Store the magazine in a secure location, away from children and unauthorized users.
- Inspect the magazine regularly for any signs of damage or wear before each use.
- Do not attempt to modify or alter the magazine in any way, as this may compromise safety and performance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when inserting or removing the magazine.
- Keep fingers away from the trigger until ready to shoot.
- Only load the magazine with approved ammunition types. Refer to the manufacturer's recommendations for compatible ammunition.
- Do not exceed the magazine's fixed 10round capacity.
- If experiencing feeding issues, cease use immediately and inspect the magazine for damage or obstructions.
- Avoid using the magazine in extreme temperatures or environments that may affect its performance.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing upwards.
- Insert cartridges into the magazine, one at a time, ensuring they are seated properly.
- Do not force cartridges into the magazine.

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is on safe and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it locks into place.

3. Removing the Magazine:

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it out of the magazine well.

4. Maintenance:

- Clean the magazine regularly with a soft cloth to remove dirt and residue.
- Inspect the follower and spring for proper function and replace if necessary.
- Store the magazine in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- If the magazine is damaged or no longer usable, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GTS 10 Round AR15 Magazine, please refer to the contact information provided with your purchase or on the manufacturer's website.

Thank you for prioritizing safety while using the GTS 10 Round AR15 Magazine. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
