

# Scout Buttstock Gen2 - Scout Buttstock Gen 2 - Precision AR-15 Buttstock - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The GTS Scout Buttstock Gen 2 is the evolution of our original Scout stock, refined and improved based on feedback from experienced users and precision-oriented shooters.

Generation 2 builds on the Gen 1 foundation with improved ergonomics and a clearer focus on stability and repeatability. Unlike low-drag stocks designed mainly for plate carrier use, the Scout is purpose-built for precision setups where consistent body position and recoil control matter most.

Its geometry is designed to let the rifle be pulled firmly into the shoulder, creating reliable rearward pressure and a more stable shooting platform. The rear profile is optimized for rear support use, working naturally with rear bags, barricades, and prone shooting positions. This shape supports controlled tracking and predictable movement during slow, deliberate fire.

A key feature of the Gen 2 system is the modular cheek riser interface. The cheek riser is a separate add-on component that can be installed or removed depending on optic height and shooter preference - ideal for everything from low-mounted optics to modern high cheek weld setups. The cheek riser is cross-compatible across all GTS Gen 2 buttstocks, allowing a consistent upgrade path across the lineup. Please note - the cheek riser is not included and must be purchased separately.

Manufactured from reinforced high-strength polymer, the Scout Buttstock Gen 2 combines durability with low weight and is built for demanding training and field use.

If you want one stock in the lineup that is clearly tuned for precision, rear support techniques, and consistent shoulder pressure, the Scout Buttstock Gen 2 is the right tool.

## Attributes

- Name: [Scout Buttstock Gen 2 - Precision AR-15 Buttstock - FDE](#)
- Manufacturer: [GERMAN TACTICAL SYSTEMS](#)
- Product no.: EU2017064
- Mfr. No.: GTS-7559-FDE
- Colour: FDE
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- UPC: 726529841763

# Scout Buttstock Gen 2 Safety Instruction Guide

## Introduction

Thank you for choosing the Scout Buttstock Gen 2. This guide provides essential safety instructions and information to ensure the safe and effective use of your new buttstock. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Scout Buttstock Gen 2 by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall is issued, follow the instructions provided for remedies.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is intended for use by adults. Keep out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check for updates on product safety through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Scout Buttstock is securely attached to the rifle before use.
- Always check the compatibility of the buttstock with your specific rifle model.
- Use the buttstock only for its intended purpose: precision shooting and stability.
- Do not exceed the weight limit specified by the manufacturer.
- Regularly inspect the buttstock for signs of wear or damage. Do not use if damaged.
- Always use proper shooting techniques to maintain control and stability.
- If you are unfamiliar with using a buttstock, seek guidance from an experienced shooter or instructor.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare Your Rifle:** Ensure that your rifle is unloaded and safe to handle.
2. **Remove the Old Buttstock:** If applicable, carefully remove the existing buttstock from your rifle according to the manufacturer's instructions.
3. **Attach the Scout Buttstock:**
  - Align the Scout Buttstock with the rifle's buffer tube.
  - Slide the buttstock onto the buffer tube until it is securely in place.
  - Tighten any screws or locking mechanisms as specified in the product manual.
4. **Adjust the Cheek Riser** (if applicable):
  - If using the cheek riser, attach it according to the manufacturer's instructions.
  - Adjust the riser for optimal comfort and alignment with your optic.

### Usage Instructions

- **Positioning:** Firmly pull the rifle into your shoulder for stability.
- **Shooting Techniques:** Maintain a proper stance and grip to control recoil effectively.
- **Tracking:** Use the rear profile of the buttstock to support controlled tracking during fire.
- **Adjustments:** If needed, adjust the cheek riser for comfort and optimal sight alignment.

## **Disposal Instructions**

- Dispose of the Scout Buttstock Gen 2 responsibly. Follow local regulations for the disposal of polymer materials.
- If the buttstock is damaged beyond repair, consider recycling options if available.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Scout Buttstock Gen 2, please refer to the contact information provided by your retailer or manufacturer. Always ensure that you are using the product in accordance with the safety guidelines outlined in this manual.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Scout Buttstock Gen 2.
