

Scout-Breacher Buttstock Gen 2 - Hybrid AR-15 Buttstock - BLack

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The GTS Scout Breacher Buttstock Gen 2 is the hybrid solution within the Gen 2 stock lineup - combining the strengths of the Breacher and Scout platforms into one balanced design.

Developed as an evolution of our Generation 1 stocks and refined through feedback from professional and experienced shooters, the Scout Breacher Gen 2 was built for users who want both low-drag handling and precision-oriented stability in a single system.

The Breacher influence delivers a streamlined, low-snap profile optimized for plate carrier and duty-style use. It reduces interference with gear during shouldering, movement, and rapid transitions, making it well suited for dynamic environments.

At the same time, the Scout geometry adds a more supportive rear profile designed for consistent shoulder pressure and improved control during deliberate fire. The stock is shaped to work well with rear support techniques, offering better stability for prone shooting, barricade work, and precision-focused setups.

A key feature of the Gen 2 system is the modular cheek riser interface. The cheek riser is available as a separate add-on component and can be installed or removed depending on optic height and shooter preference. It is fully cross-compatible across all GTS Gen 2 buttstocks, ensuring a unified upgrade path across the entire platform.

Please note - the cheek riser is not included and must be purchased separately.

Manufactured from reinforced high-strength polymer, the Scout Breacher Buttstock Gen 2 combines durability with low weight and is built for demanding training and field use.

For shooters looking for a stock that bridges the gap between armor-ready handling and precision support, the Scout Breacher Gen 2 delivers the best of both worlds.

Attributes

- Name: [Scout-Breacher Buttstock Gen 2 - Hybrid AR-15 Buttstock - BLack](#)

ScoutBreachers Buttstock Gen 2 Hybrid AR15 Buttstock Safety Instruction Guide

Introduction

Thank you for choosing the ScoutBreachers Buttstock Gen 2. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand how to use and maintain your buttstock safely.

General Safety Guidelines

- Always treat your firearm and accessories as if they are loaded.
- Ensure you are familiar with the operation of your firearm and the ScoutBreachers Buttstock Gen 2 before use.
- Use the buttstock only with compatible firearms, specifically the AR15 platform.
- Keep the buttstock and your firearm out of reach of children and unauthorized users.
- Inspect the buttstock regularly for any signs of wear or damage.
- If you notice any defects or irregularities, discontinue use and contact a qualified professional for assistance.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

- Ensure the buttstock is securely attached to your firearm before use.
- Avoid using the buttstock in extreme weather conditions that could affect its performance, such as extreme heat or cold.
- Do not modify the buttstock in any way that could compromise its structural integrity.
- Use proper shooting techniques to maintain control and stability while using the buttstock.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

Installation

1. **Check Compatibility:** Ensure that your firearm is compatible with the ScoutBreachers Buttstock Gen 2.
2. **Remove Old Buttstock:** If applicable, remove the existing buttstock from your firearm by following the manufacturer's instructions.
3. **Align the Buttstock:** Position the ScoutBreachers Buttstock Gen 2 onto the buffer tube of your AR15.
4. **Secure the Buttstock:** Tighten the adjustment mechanism or screws to ensure the buttstock is firmly attached.
5. **Check Stability:** Gently pull on the buttstock to ensure it is securely installed before use.

Usage

- **Adjust the Cheek Riser:** If applicable, adjust the cheek riser for optimal comfort and eye alignment with your optics. Note that the cheek riser is sold separately.
- **Shouldering the Firearm:** When shouldering the firearm, ensure that the buttstock is properly positioned against your shoulder for stability.
- **Shooting Position:** Utilize the buttstock's design for various shooting positions, including prone shooting and barricade work.
- **Transitioning:** Practice smooth transitions between shooting positions while maintaining control of the firearm.

Disposal Instructions

- Dispose of the ScoutBreacher Buttstock Gen 2 in accordance with local regulations regarding plastic and polymer waste.
- If the buttstock is damaged beyond repair, contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the relevant authorities or your local dealer. Always ensure that you stay informed about potential recalls or safety alerts related to your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your ScoutBreacher Buttstock Gen 2. Stay safe and responsible while using your firearm and its accessories.
