

Scout-Breacher Buttstock Gen 2 - Hybrid AR-15 Buttstock -FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The GTS Scout Breacher Buttstock Gen 2 is the hybrid solution within the Gen 2 stock lineup - combining the strengths of the Breacher and Scout platforms into one balanced design.

Developed as an evolution of our Generation 1 stocks and refined through feedback from professional and experienced shooters, the Scout Breacher Gen 2 was built for users who want both low-drag handling and precision-oriented stability in a single system.

The Breacher influence delivers a streamlined, low-snap profile optimized for plate carrier and duty-style use. It reduces interference with gear during shouldering, movement, and rapid transitions, making it well suited for dynamic environments.

At the same time, the Scout geometry adds a more supportive rear profile designed for consistent shoulder pressure and improved control during deliberate fire. The stock is shaped to work well with rear support techniques, offering better stability for prone shooting, barricade work, and precision-focused setups.

A key feature of the Gen 2 system is the modular cheek riser interface. The cheek riser is available as a separate add-on component and can be installed or removed depending on optic height and shooter preference. It is fully cross-compatible across all GTS Gen 2 buttstocks, ensuring a unified upgrade path across the entire platform.

Please note - the cheek riser is not included and must be purchased separately.

Manufactured from reinforced high-strength polymer, the Scout Breacher Buttstock Gen 2 combines durability with low weight and is built for demanding training and field use.

For shooters looking for a stock that bridges the gap between armor-ready handling and precision support, the Scout Breacher Gen 2 delivers the best of both worlds.

Attributes

- Name: [Scout-Breacher Buttstock Gen 2 - Hybrid AR-15 Buttstock -FDE](#)
- Manufacturer: [GERMAN TACTICAL SYSTEMS](#)
- Product no.: EU2017070
- Mfr. No.: GTS-7563-FDE
- Colour: FDE
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Safety Instruction Guide for ScoutBreachers Buttstock Gen 2 Hybrid AR15 Buttstock FDE

Introduction

Thank you for choosing the ScoutBreachers Buttstock Gen 2. This guide provides essential safety information and instructions for the proper use, installation, and disposal of the product. Adhering to these guidelines will help ensure safe and effective use.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Always use the product in accordance with the manufacturer's specifications and guidelines.
- Regularly inspect the buttstock for any signs of damage or wear before each use.
- Do not modify or alter the product in any way that could compromise its safety or performance.
- Keep the buttstock out of reach of children and unauthorized users.
- If you experience any issues with the product, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Use only with compatible firearms as specified by the manufacturer.
- Ensure that the firearm is unloaded before attaching or detaching the buttstock.
- Always maintain proper control of the firearm while using the buttstock to prevent accidental discharge.
- When using the buttstock in dynamic environments, be aware of your surroundings and potential hazards.
- Avoid placing excessive force on the buttstock during use, as this may lead to failure.
- If using the modular cheek riser, ensure it is securely attached before use.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and safe to handle.
2. Remove the existing buttstock if applicable.
3. Align the ScoutBreachers Buttstock Gen 2 with the buffer tube of the firearm.
4. Slide the buttstock onto the buffer tube until it is fully seated.
5. Tighten the locking mechanism securely to prevent movement during use.
6. If using the cheek riser, follow the manufacturer's instructions for attachment.

Usage

- When shouldering the firearm, ensure that the buttstock is properly positioned against your shoulder for stability.
- Use the rear support techniques as needed for improved accuracy and control.
- During rapid transitions, maintain awareness of your gear and surroundings to avoid snagging or interference.
- Regularly practice with the buttstock to become familiar with its handling characteristics.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and polymer materials.
- Do not dispose of the product in regular household waste.

- If the product is damaged beyond repair, consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the ScoutBreacher Buttstock Gen 2, please refer to the manufacturer's contact information provided with your purchase. It is essential to reach out to the manufacturer for any safety inquiries or product support.

By following this safety instruction guide, you can ensure a safe and effective experience with your ScoutBreacher Buttstock Gen 2. Always prioritize safety and responsible handling of firearms.
