

# Breacher AK Pistol Grip Gen2 - FDE

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The GTS Breacher AK Pistol Grip Gen2 is a modern upgraded grip designed to improve control and handling on AK-pattern rifles.

The Gen2 version features a steeper grip angle, optimized for modern shooting stances and more natural wrist alignment. This results in improved trigger control and a more consistent feel during dynamic rifle use, especially when running the rifle aggressively or shooting from modern upright positions. Manufactured from high-strength polymer, the Breacher Gen2 offers excellent durability while keeping weight low. Its reinforced construction is built for long-term reliability in demanding training and field conditions.

One of the defining features is the aggressive texture, providing a secure, non-slip grip even with gloves or in wet environments. The surface design supports confident weapon manipulation during rapid transitions, positional shooting, and extended range sessions.

Robust, ergonomic, and purpose-built, the GTS Breacher AK Pistol Grip Gen2 is a practical upgrade for shooters looking to modernize their AK platform with better comfort, traction, and control.

# Safety Instruction Guide for GTS Breacher AK Pistol Grip Gen2

## Introduction

Thank you for choosing the GTS Breacher AK Pistol Grip Gen2. This product is designed to enhance your shooting experience by providing improved control and handling on AKpattern rifles. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Ensure that your shooting environment is safe and suitable for firearm use.
- Keep the pistol grip and firearm out of reach of children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE) such as eye and ear protection when handling firearms.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the grip is securely attached to the firearm before use.
- Avoid using the firearm in wet or slippery conditions without proper grip.
- Do not modify the grip or firearm in any way that could compromise safety.
- Use the grip only for its intended purpose and on compatible AKpattern rifles.
- If you experience any discomfort or difficulty while using the grip, stop using it immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip from the firearm according to the manufacturer's instructions.
- Align the GTS Breacher AK Pistol Grip Gen2 with the grip mounting area.
- Securely fasten the grip using the provided screws, ensuring it is tight but not overly torqued.
- Verify that the grip is firmly attached by gently pulling on it.

### 2. Usage:

- Grip the pistol grip firmly with your dominant hand, ensuring your fingers wrap around the grip for optimal control.
- Maintain a proper shooting stance, keeping your wrist aligned with the grip for natural movement.
- Practice weapon manipulation techniques to become familiar with the grip's features and texture.
- After extended use, check the grip for any signs of wear or loosening.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic waste.
- Do not incinerate or expose the grip to extreme heat, as it may release harmful substances.
- If the product is damaged or no longer usable, consider recycling options if available.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the GTS Breacher AK Pistol Grip Gen2, please refer to the manufacturer's official website or contact their customer service.
