

Tripod Basket - Stone Grey Olive

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The GTS Tripod Basket is built for shooters who want additional storage without complicating their setup. When operating from a tripod, gear tends to end up on the ground, exposed to dirt, moisture, and unnecessary movement. The Tripod Basket keeps your essentials elevated, accessible, and organized at the center of your platform.

Mounted between the tripod legs, it creates a spacious storage compartment for ammunition boxes, rear bags, gloves, range tools, water bottles, or other larger items that don't require modular attachment. The triangular design distributes weight evenly and can even enhance tripod stability when loaded.

Constructed from durable, abrasion-resistant fabric, the basket is designed to handle regular range use as well as demanding outdoor conditions. The reinforced attachment system ensures compatibility with most tripod platforms and keeps the basket securely in place under load. The open-top layout allows quick access, while the raised edges help prevent equipment from slipping out during use or repositioning.

The GTS Tripod Basket is available in Flecktarn and Stone Grey Olive, allowing you to match your setup to your environment and overall equipment configuration.

Simple. Functional. Reliable.

Safety Instruction Guide for GTS Tripod Basket Stone Grey Olive

Introduction

Thank you for choosing the GTS Tripod Basket. This product is designed to enhance your shooting experience by providing additional storage while maintaining a streamlined setup. It is essential to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Always inspect the Tripod Basket before each use for any signs of wear or damage.
- Ensure that the basket is securely attached to the tripod before placing any equipment inside.
- Do not overload the basket beyond its intended capacity to maintain stability.
- Keep the basket and its contents away from children and vulnerable individuals.
- Use the basket only for its intended purpose; avoid placing hazardous materials inside.
- Regularly check for recall notices or safety updates regarding the product.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight limit for the basket to prevent tipping or instability.
- **Secure Equipment:** Ensure that all items placed in the basket are stable and will not shift during use.
- **Moisture Protection:** Although the basket is made from durable, abrasion-resistant fabric, it is advisable to keep sensitive items away from moisture.
- **Proper Handling:** When repositioning the tripod, be cautious of the basket and its contents to prevent accidental spills or falls.
- **Awareness of Surroundings:** Be mindful of your environment and ensure that the tripod and basket are used in a safe area, free from hazards.

Instructions for Installation and Usage

1. Installation:

- Open the GTS Tripod Basket packaging and remove all components.
- Identify the tripod legs and the attachment points on the basket.
- Align the basket with the tripod legs and secure it using the reinforced attachment system.
- Ensure that the basket is mounted firmly and is stable before proceeding.

2. Usage:

- Load the basket with essential items such as ammunition boxes, rear bags, gloves, range tools, or water bottles.
- Make sure that the items are evenly distributed within the basket to maintain balance.
- When using the tripod, ensure that the basket is positioned centrally for optimal weight distribution.
- To access items, simply reach into the opentop layout of the basket.

Disposal Instructions

- Dispose of the GTS Tripod Basket responsibly in accordance with local waste management regulations.
- If the product is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the basket in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the GTS Tripod Basket, please reach out to the designated EU contact point. It is important to stay informed about product safety and any potential recalls.

By following these guidelines, you can ensure a safe and enjoyable experience with your GTS Tripod Basket. Thank you for your attention to safety!
