

Tripod Leg Covers Stone 3pcs - Stone Grey Olive

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The GTS Tripod MOLLE Leg Covers (3 pcs) are designed for shooters who want to expand the functionality of their tripod while improving durability and discretion in the field. Whether in competition, during training, or in professional use, they turn each tripod leg into usable mounting space, without compromising stability.

The set includes three precisely fitted covers, one for each tripod leg. Once installed, they provide a secure MOLLE-compatible surface for attaching pouches, tourniquets, multitools, rangefinders, or other essential accessories. Critical equipment stays directly integrated into your platform and within immediate reach.

Beyond modularity, the covers also reduce reflections and visual signature. By covering exposed carbon or metal surfaces, they help create a more low-profile, non-reflective setup - particularly valuable in hunting or professional environments where discretion matters. At the same time, they add a protective layer that shields tripod legs from scratches, abrasion, and wear during transport and field use.

Constructed from durable, abrasion-resistant material with a secure fastening system, the covers remain stable under movement and load without interfering with tripod adjustment.

The GTS Tripod MOLLE Leg Covers are available in Flecktarn and Stone Grey Olive, allowing you to match your tripod to your environment and overall gear configuration.

More mounting space. Reduced signature. Added protection.

Tripod Leg Covers Safety Instructions

Introduction

Thank you for choosing the GTS Tripod MOLLE Leg Covers (3 pcs) in Stone Grey Olive. These covers are designed to enhance the functionality of your tripod while providing added protection and discretion in various environments. This guide provides essential safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Tripod Leg Covers are installed correctly to prevent any accidents or damage.
- Regularly inspect the covers for any signs of wear or damage before each use.
- Keep the covers away from children and ensure they are used only by individuals who understand the product's features and functions.
- Always follow the manufacturer's instructions for installation and usage.
- In case of any malfunction or safety concern, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Avoid exposing the covers to extreme temperatures or harsh chemicals, as this may damage the material.
- Do not overload the tripod beyond its specified weight limit, as this can compromise stability and safety.
- Ensure that all accessories attached to the MOLLE-compatible surface are securely fastened before use.
- Be cautious when moving the tripod in the field to avoid tripping hazards or injury.

Instructions for Installation and Usage

1. Installation:

- Unpack the Tripod Leg Covers and ensure all three covers are included.
- Align each cover with the corresponding tripod leg.
- Slide the covers over each leg, ensuring a snug fit.
- Secure the covers using the fastening system provided, making sure they are stable before use.

2. Usage:

- Once installed, you can attach various accessories such as pouches, tourniquets, or multitools to the MOLLE-compatible surface.
- Check that all accessories are properly secured before moving the tripod.
- Maintain awareness of your surroundings while using the tripod to avoid accidents.

Disposal Instructions

- When the Tripod Leg Covers reach the end of their lifecycle, dispose of them responsibly.
- Check local regulations for proper disposal methods for materials used in the covers.
- Consider recycling options if available, to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the GTS Tripod MOLLE Leg Covers, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with your GTS Tripod MOLLE Leg Covers. Always prioritize safety and responsibility while using this product in any environment.
