

Tripod Leg Covers Stone 3pcs - Flecktarn

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The GTS Tripod MOLLE Leg Covers (3 pcs) are designed for shooters who want to expand the functionality of their tripod while improving durability and discretion in the field. Whether in competition, during training, or in professional use, they turn each tripod leg into usable mounting space, without compromising stability.

The set includes three precisely fitted covers, one for each tripod leg. Once installed, they provide a secure MOLLE-compatible surface for attaching pouches, tourniquets, multitools, rangefinders, or other essential accessories. Critical equipment stays directly integrated into your platform and within immediate reach.

Beyond modularity, the covers also reduce reflections and visual signature. By covering exposed carbon or metal surfaces, they help create a more low-profile, non-reflective setup - particularly valuable in hunting or professional environments where discretion matters. At the same time, they add a protective layer that shields tripod legs from scratches, abrasion, and wear during transport and field use.

Constructed from durable, abrasion-resistant material with a secure fastening system, the covers remain stable under movement and load without interfering with tripod adjustment.

The GTS Tripod MOLLE Leg Covers are available in Flecktarn and Stone Grey Olive, allowing you to match your tripod to your environment and overall gear configuration.

More mounting space. Reduced signature. Added protection.

Tripod Leg Covers Safety Instructions

Introduction

Thank you for choosing the GTS Tripod MOLLE Leg Covers. These covers are designed to enhance the functionality of your tripod while providing durability and discretion in various environments. This guide contains important safety information and instructions to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tripod Leg Covers by following all instructions provided. The covers are designed to minimize risks associated with tripod use.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure the platform meets safety requirements equivalent to physical stores.
- **Special Consumer Focus:** These covers are not intended for use by children. Keep all products out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the weight limit of your tripod when using the leg covers. Refer to your tripod's specifications for weight limits.
- **Secure Fastening:** Ensure that the covers are securely fastened to the tripod legs before use to prevent accidental detachment.
- **Inspect Regularly:** Regularly check the covers for signs of wear or damage. Replace them if they are compromised.
- **Use in Suitable Conditions:** Avoid using the tripod in extreme weather conditions that may compromise the integrity of the covers or the tripod itself.
- **Handle with Care:** When transporting the tripod with the covers attached, handle with care to avoid impact damage.

Instructions for Installation and Usage

1. **Prepare the Tripod:** Ensure the tripod is clean and free from debris before installation.
2. **Align the Covers:** Position each cover over the corresponding tripod leg, ensuring a snug fit.
3. **Secure the Covers:** Use the fastening system provided with the covers to secure them in place. Ensure they are tightly fastened to prevent movement during use.
4. **Check Stability:** After installation, check the stability of the tripod. Ensure that the covers do not interfere with the tripod's adjustment mechanisms.
5. **Attach Accessories:** Use the MOLLE-compatible surface to attach pouches, tools, or other accessories as needed.
6. **Regular Maintenance:** Clean the covers with a damp cloth and mild detergent as needed. Avoid harsh chemicals that may damage the material.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the Tripod Leg Covers in accordance with local regulations for plastic and textile waste.
- **Recycling:** If possible, recycle the covers through designated recycling programs in your area to minimize environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding the GTS Tripod MOLLE Leg Covers, please refer to the contact information provided by your retailer or the manufacturer's website.

Stay safe and enjoy using your GTS Tripod MOLLE Leg Covers!
