

Camo Leaf Lasercut 12pcs - Flecktarn

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The GTS Laser-Cut Leaves (12 pcs) are designed to enhance camouflage by adding structure, depth, and irregularity to your equipment. Effective concealment is not just about color - it's about breaking up recognizable shapes and hard outlines. These modular leaves help you do exactly that.

The set includes 12 individually laser-cut leaves, each manufactured from durable, field-ready fabric with precise organic contours. When attached to MOLLE platforms, camouflage nets, tripods, shelters, plate carriers, or backpacks, they disrupt straight lines and reduce the technical appearance of your gear in natural terrain.

Lightweight yet abrasion-resistant, the material maintains flexibility in varying temperatures and withstands demanding outdoor conditions. The leaves can be positioned individually to create a customized camouflage pattern, allowing you to increase density in critical areas or layer them over existing camouflage systems for additional depth and realism.

The GTS Laser-Cut Leaves (12 pcs) are available in Flecktarn and Stone Grey Olive, ensuring seamless integration with your existing equipment and environment.

Modular. Adaptable. Effective.

Camo Leaf Lasercut 12pcs Safety Instruction Guide

Introduction

Thank you for choosing the Camo Leaf Lasercut 12pcs Flecktarn. This product is designed to enhance your camouflage capabilities while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions to avoid potential hazards.
- In case of any accidents or unsafe conditions, report them to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid using the product in extreme weather conditions that may compromise its integrity.
- Do not use the product if it shows any signs of damage or wear.
- Ensure that the leaves are securely attached to your equipment to prevent them from detaching during use.
- Be cautious when positioning the leaves to avoid sharp edges or other hazards.
- Use the product in a manner that does not obstruct your vision or movement.

Instructions for Installation and Usage

1. Preparation:

- Before installation, ensure your equipment is clean and dry.
- Gather all necessary tools for attachment (if applicable).

2. Attachment:

- Identify the areas on your gear where you want to attach the lasercut leaves.
- Position the leaves individually for a customized camouflage pattern.
- Securely attach the leaves using the appropriate method (e.g., Velcro, clips, or MOLLE attachments).
- Ensure that the leaves are firmly in place and do not obstruct any functional parts of your equipment.

3. Usage:

- Once attached, test the equipment to ensure that the leaves do not interfere with its operation.
- Regularly check the attachment points during use to ensure they remain secure.

4. Maintenance:

- Clean the leaves as needed according to the manufacturer's guidelines to maintain their effectiveness.
- Store the product in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for textile waste.
- Do not incinerate or dispose of the product in a manner that may cause environmental harm.
- Consider donating the product if it is still in good condition and no longer needed.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the Camo Leaf Lasercut 12pcs Flecktarn. Your commitment to safe practices helps ensure a positive experience with your equipment.
