

Chassis - ACC Elite System - Savage - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Elite is built for one purpose: winning matches. As the #1 chassis in the PRS and the choice of thousands of competitors worldwide, its reputation is backed by countless podium finishes. This platform provides the balance, stability, and control needed to run complex stages efficiently and deliver consistent hits under extreme pressure.

The ACC Elite is designed to stay rigid when it matters most. Featuring a strengthened forend, a solid center base, and a dedicated connector bar linking the grip to the buttstock, this chassis eliminates twisting and bending during recoil or when loading into a prop.

Precision Balance: With a full-length ARCA forend and a tunable weight system, you can use MDT Weights to create a perfectly balanced rifle. This setup ensures the rifle settles fast and stays locked on target naturally under recoil.

SRS-X Elite Buttstock: Achieve a perfect, natural position behind your rifle every time. The SRS-X Elite offers fast, toolless adjustments for:
Cheek rest height (back and front)
Length-of-pull (LOP)
Buttpad height

Elite Ergonomics: The Vertical Grip - Elite allows for back, front, and angle adjustments. When paired with the adjustable M-LOK thumb rest, you get a tailored hand placement that feels completely natural.

Barricade Mastery: The included underside grip tape helps the rifle "dig in" to barricades and bags, ensuring a stable hold from the first shot to the last.

Safety Instruction Guide for MDT Chassis ACC Elite System Savage SA RH

Introduction

Thank you for choosing the MDT ACC Elite Chassis. This product is designed for competitive shooting, providing stability and precision. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Always ensure that the MDT Chassis is used in accordance with the manufacturer's guidelines. This product is intended for nonfood use and should be handled with care.
- **Enhanced Recalls:** Be aware of any recall notices. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety standards. Verify that the product is genuine and from a reputable source.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** Should you have any safety inquiries, refer to the contact point provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Read All Instructions:** Before using the MDT Chassis, read all instructions and safety guidelines provided in this manual.
- **Inspect Before Use:** Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- **Proper Handling:** Always handle the chassis with care, especially when attaching or detaching components.
- **Shooting Environment:** Ensure that you are in a safe shooting environment. Follow all local laws and regulations regarding firearm use.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including eye and ear protection, when using the chassis.
- **Avoid Modifications:** Do not modify the chassis in any way. Any alterations can compromise safety and performance.
- **Weight Management:** When using the tunable weight system, ensure weights are securely attached to avoid accidents.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Follow the manufacturer's instructions for mounting the action and barrel to the chassis.
- Ensure all screws and fasteners are tightened to the specified torque settings.
- Check that the buttstock and grip are securely attached.

2. Adjusting the SRSX Elite Buttstock:

- Adjust the cheek rest height by loosening the adjustment screws, positioning to your preference, and tightening.
- Set the lengthofpull (LOP) by adjusting the buttstock position and securing it firmly.

- Adjust the buttpad height similarly to ensure a comfortable shooting position.

3. **Using the Vertical Grip Elite:**

- Adjust the grip angle to suit your shooting style.
- Ensure that the MLOK thumb rest is positioned for optimal hand placement.

4. **Using Barricade Mastery Features:**

- Apply the included grip tape to the underside of the chassis as instructed to enhance grip on barricades and bags.

5. **PostUse Care:**

- Clean the chassis after each use to prevent corrosion and wear.
- Store the chassis in a dry, secure location when not in use.

Disposal Instructions

- **Responsible Disposal:** Dispose of the chassis in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle components of the chassis to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding safety or product use, please refer to the contact information provided by your retailer or the manufacturer.

Thank you for your attention to these safety guidelines. Your adherence will ensure a safe and enjoyable experience with your MDT ACC Elite Chassis.
