

ACC Elite Chassis - MDT Chassis - ACC Elite - CZ 457 - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Elite is built for one purpose: winning matches. As the #1 chassis in the PRS and the choice of thousands of competitors worldwide, its reputation is backed by countless podium finishes. This platform provides the balance, stability, and control needed to run complex stages efficiently and deliver consistent hits under extreme pressure.

The ACC Elite is designed to stay rigid when it matters most. Featuring a strengthened forend, a solid center base, and a dedicated connector bar linking the grip to the buttstock, this chassis eliminates twisting and bending during recoil or when loading into a prop.

Precision Balance: With a full-length ARCA forend and a tunable weight system, you can use MDT Weights to create a perfectly balanced rifle. This setup ensures the rifle settles fast and stays locked on target naturally under recoil.

SRS-X Elite Buttstock: Achieve a perfect, natural position behind your rifle every time. The SRS-X Elite offers fast, toolless adjustments for:
Cheek rest height (back and front)
Length-of-pull (LOP)
Buttpad height

Elite Ergonomics: The Vertical Grip - Elite allows for back, front, and angle adjustments. When paired with the adjustable M-LOK thumb rest, you get a tailored hand placement that feels completely natural.

Barricade Mastery: The included underside grip tape helps the rifle "dig in" to barricades and bags, ensuring a stable hold from the first shot to the last.

Attributes

- Name: [MDT Chassis - ACC Elite - CZ 457 - RH - FDE](#)

Safety Instruction Guide for the ACC Elite Chassis MDT Chassis ACC Elite CZ 457 RH FDE

Introduction

Thank you for choosing the ACC Elite Chassis MDT Chassis. This guide provides essential safety instructions to ensure the safe use and handling of your chassis. It is important to follow these guidelines to minimize risks and enhance your experience while using this product.

General Safety Guidelines

- Ensure safe use of the chassis by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of firearms and accessories.
- Always handle the chassis and firearm with care to prevent accidents.
- Keep the chassis out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis.
- Use the chassis only with compatible firearms, specifically the CZ 457 model.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Do not modify the chassis in any way that could compromise its structural integrity.
- Use only MDT Weights for balancing to ensure the chassis operates as intended.
- When making adjustments to the SRSX Elite Buttstock or Vertical Grip Elite, do so carefully to avoid pinching fingers or causing injury.
- Ensure that the underside grip tape is clean and free from debris to maintain a secure hold on barricades.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Align the chassis with the firearm's action and securely attach it according to the manufacturer's instructions.
- Adjust the SRSX Elite Buttstock for optimal fit, ensuring all adjustments are locked in place.
- Attach the Vertical Grip Elite and adjust as needed for comfort and control.

2. Usage:

- Always maintain a proper shooting stance when using the chassis.
- Check the balance of the rifle after adding MDT Weights to ensure it is stable.
- Practice using the chassis in a safe environment before participating in competitive events.
- Store the chassis in a safe location when not in use to prevent unauthorized access.

Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support regarding the ACC Elite Chassis MDT Chassis, please refer to the manufacturer's contact information provided on the product packaging or official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Elite Chassis MDT Chassis. Thank you for your attention to these important guidelines.
