

ACC Elite Chassis - MDT Chassis - ACC Elite - CZ 457 - RH - TBL

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT ACC Elite is built for one purpose: winning matches. As the #1 chassis in the PRS and the choice of thousands of competitors worldwide, its reputation is backed by countless podium finishes. This platform provides the balance, stability, and control needed to run complex stages efficiently and deliver consistent hits under extreme pressure.

The ACC Elite is designed to stay rigid when it matters most. Featuring a strengthened forend, a solid center base, and a dedicated connector bar linking the grip to the buttstock, this chassis eliminates twisting and bending during recoil or when loading into a prop.

Precision Balance: With a full-length ARCA forend and a tunable weight system, you can use MDT Weights to create a perfectly balanced rifle. This setup ensures the rifle settles fast and stays locked on target naturally under recoil.

SRS-X Elite Buttstock: Achieve a perfect, natural position behind your rifle every time. The SRS-X Elite offers fast, toolless adjustments for:
Cheek rest height (back and front)
Length-of-pull (LOP)
Buttpad height

Elite Ergonomics: The Vertical Grip - Elite allows for back, front, and angle adjustments. When paired with the adjustable M-LOK thumb rest, you get a tailored hand placement that feels completely natural.

Barricade Mastery: The included underside grip tape helps the rifle "dig in" to barricades and bags, ensuring a stable hold from the first shot to the last.

Safety Instruction Guide for the ACC Elite Chassis MDT Chassis ACC Elite CZ 457 RH TBL

Introduction

Thank you for choosing the ACC Elite Chassis MDT Chassis for your CZ 457 rifle. This guide provides important safety instructions and guidelines to ensure safe usage and optimal performance of your chassis. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the chassis is compatible with your specific rifle model before installation.
- Always handle firearms with care and follow standard safety practices.
- Store the chassis and any associated equipment in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- Be aware of your surroundings and ensure you are in a safe environment when handling firearms.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the rifle is unloaded when installing or adjusting the chassis.
- Avoid using the chassis in adverse weather conditions that may affect performance or safety.
- Do not modify the chassis in any way that could compromise its integrity or safety.

Instructions for Installation and Usage

1. Installation of the Chassis

- Ensure the rifle is completely unloaded.
- Remove the existing stock from the CZ 457 rifle.
- Align the action of the rifle with the chassis and securely fasten it using the provided screws.
- Attach the SRSX Elite Buttstock by following the manufacturer's instructions for adjustments.
- Ensure that all components are tightly secured before usage.

2. Adjustments

- To adjust the cheek rest height, loosen the adjustment screws and set to the desired height. Tighten screws securely.
- For lengthofpull (LOP) adjustments, slide the buttstock to the desired length and secure it in place.
- Adjust the buttstock height similarly to ensure a comfortable shooting position.

3. Using the Vertical Grip Elite

- Adjust the vertical grip to your preference by loosening the adjustment screws.
- Ensure that the grip is secured before use.

4. Utilizing Barricade Mastery

- Apply the included underside grip tape to enhance stability when shooting from barricades.
- Ensure that the rifle is stable and secure before taking aim.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the chassis in regular household waste.
- Consider recycling components where possible to reduce environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly through the provided customer service channels.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Elite Chassis MDT Chassis. Always prioritize safety and responsible usage while handling firearms.
